

By Phat

POLITICS—Last week Bill Thurman suggested that the GOP should adopt "Dew, Dew, Dewey Day" for their theme song. Was so confident of the result that I saved that little gem for this week, thinking to write that Tuesday was a "Dew, Dew, Dewey Day." But sadly underestimated the moisture content of Nov. 7. It was not a dewey day—it was a wash-out.

PERSONAL—Feeling youthful and gay early this week, wandered into a local store for a purchase. Putting the change back into a pants pocket, some of it slipped by and rolled on the floor coming to rest near a baby-cart. I must have looked funny bending over to retrieve the dimes for the occupant of the buggy gurgled merrily at the sight. A benign woman passing by, cooed: "Oh, did grandpa drop his pennies." Guess I need a facial. . . . Anyway, I thought Mrs. G. laughed a little too long and a bit too heartily when I told her of the incident.

DISASTER—Couldn't find the Hit Parade anywhere on the air last Saturday night and felt very low. But Mrs. G. cheered me up. Said she: "Don't worry. When Oscar died you thought you'd have to quit writing a column—your chief topic of conversation being gone. But you managed to write one every day regardless. Perhaps you can manage to write one once a week now even without the Hit Parade." . . . But think of going through life without knowing whether the "Trolley Song" made No. 1 before Thanksgiving!

HOLIDAYS—Speaking of Thanksgiving, it'll be on Nov. 23. The calendars which have Nov. 30 marked in red, ain't so. . . . There's another holiday tomorrow. It was only 26 years ago we celebrated the end of the war to end all wars. . . . Bankers got off two days this week. They have nothing on the bartenders. They got off last Tuesday and will again next Tuesday.

CIGARETS—The cigaret shortage is getting more acute instead of better. Even Bull Durham is scarce. . . . Something's wrong someplace, however. Several months ago, because of war needs, manufacturers quit wrapping cigaret packages in cellophane. But noticed this week, that cellophane-wrapped cigarettes were again on the market. Where have they been stored during the "shortage?" . . . You take what you get nowadays. One fellow who had always been insistent on a certain brand told me that this week he bought five packs, every one different and none his favorite brand. In the course of the week, I acquired two brands I'd never heard of before.

THIS AND THAT—There are four people down in district six who can't make up their mind. In Tuesday's election they voted for both Dewey and Roosevelt—and, as a result, voted for neither. . . . Election workers in Precinct 7 are grateful to Mrs. Billy Lipps of the Del Tahquitz. During the day she sent over coffee and toast and at night, while they were tabulating the results, she sent ice cream and cake. . . . Last week Connie Barbeau of The Dunes gave me a slip of paper on which she had written the names of some notables who had dined there. It disappeared some place. The aggravating part of it is that the only notations I had in a week that I could read, were lost.

THE VILLAGE—At The Dunes last night, signing autographs between forays on a big steak, were Randolph Scott and wife. . . . Also present were Mrs. Charley Farrell with Henry Ginsberg, Paramount executive and son.

Field Club to be Issue on Tuesday

Voters to Decide Purchase Plan At Special Election

Decision in a campaign which, although somewhat overshadowed by the national election still has aroused great interest here, will be reached next Tuesday when the city again goes to the polls, this time to vote on whether the city will acquire the Field Club.

Proponents have been active for the past four weeks and this week opponents, biding their time during the national campaign, set forth their views.

TWO POLLING PLACES

The vote will be cast at two polling places. For the purpose of this election, precincts 1, 6, 7 and 8 have been consolidated into special precinct A with the polling place established at the Palm Springs Builders' Supply company.

Precincts 2, 3, 4 and 5 have been consolidated into Special Precinct B with the polling place established at the Frances S. Stevens school.

1860 ELIGIBLE

There will be 1860 citizens eligible to vote with the larger portion within the confines of Precinct B. There the combined total registration of precincts 2, 3, 4 and 5 is 986. In precinct A the combined total registration of precincts 1, 6, 7 and 8 is 874.

All voters who voted in Tuesday's general election are eligible to vote next Tuesday at the special election. Last Tuesday, 650 voted in the precincts making up Special Precinct A and 721 in the precincts making up Special Precinct B.

City Attorney Roy W. Colegate has announced that the proposition will have to attain a two-thirds favorable vote of the ballots cast, to carry.

(Arguments for and against the Field Club purchase may be found on Page 7, Cols. 1 to 4, today.)

Banks, City Offices Will Close Tomorrow

The Bank of America, city offices and a few stores will be closed all day tomorrow in honor of Armistice Day.

Special services will be held at St. Paul's in the Desert Episcopal church in observance of the day.

His Name Puts Him in Spotlight

A Palm Springs realty man, now in the armed service, had Washington, D. C., on its ears last week.

He arrived at the national capital just as there was much mystery and diplomatic intrigue over the arrival of a Russian delegation.

Reporters were on the hunt for the Soviet group but could not locate them. Then Countess Austine Cassini, writing for the Washington Times-Herald spotted a reservation for "Peter Sheptenko" at the Statler. She wrote in her column that "the Soviet Embassy won't admit it knows anything about those reservations for the Russian gentleman at one of the swankiest hotels here in the name of Peter Sheptenko."

"When the Villager arrived he was the target for eager reporters. 'I had a great time explaining in broken English that I was just a real estate man from Palm Springs,' he wrote. 'They would not believe me.'

Want New Freeway to North of City

No Action Taken On County-Wide Flood Control

Palm Springs is opposed to any attempt to make Palm Canyon drive a main highway east and west but is in favor of the by-pass road to the northeast of the city—with reservations.

That was the gist of a town meeting held Wednesday night at city council chambers, called by city council to determine the stand of the city on postwar highway plans.

The other item before the town meeting—that of flood control—was held in abeyance pending further enlightenment on the boundaries of the local zone.

TO GET OPINION

Mayor Eugene E. Therieau, who called the meeting to order, said the purpose was to gain an expression of opinion from Villagers to enable city officials to present a concrete case before county and state authorities designing a post-war program.

First considered was the county-wide flood control problem. Councilman Culver Nichols, who is also a member of the county-wide committee on flood control, explained the recent meeting at Riverside where a 7 to 5 vote favored the flood control plan. He said that the desert communities, San Geronimo and some other sections of the county were opposed but that, because of technicalities, some of the desert representatives did not have a vote.

EXPLAINS SET-UP

The county-wide flood plan would divide the county into six zones, each of them prorating the cost of improvements in their own zone. The zone including Palm Springs extends from Beaumont eastward well into the desert. This brought out the main objection to the proposal. It was said that Palm Springs, with its large assessed valuation—second in the county—would pay a disproportionate share of flood control work without adequate benefits.

Plans of the federal government for flood control work were discussed and it was finally decided that, inasmuch as a move was now under way to redirect the county, possibly providing a more centralized local zone for Palm Springs, to hold any endorsement or protest against the county-wide plan in abeyance.

PAY 15 PER CENT

It was pointed out that Palm Springs would pay 15 per cent of the cost of flood control work even if it were done far from the city and brought no benefits here, under the present set-up.

Speakers on the flood control plan were Francis F. Crocker, Walter Kofeldt, Steven Willard, W. R. Hillery, Assemblyman Philip L. Boyd, Councilman Maurice McCann and others.

After Assemblyman Boyd informed the meeting that he understood that Alex Fulmer, county surveyor, was not engaged on drawing new lines for the various zones, it decided to await further action and Mayor Therieau suggested that the meeting pass on to the highway project.

CALL ON MANAGER

Mayor Therieau called on City Manager Ray Sorum to explain the purpose of the discussion. The city manager said that next Monday members of the state highway department would be in Riverside to discuss postwar highway plans and that the proposal to build a by-pass highway from a point north of Palm Springs to a point near Cathedral City had

(Franklin D. Partridge Photo)
IN THE FILMS—Four Villagers pose for Army and Navy Screen magazine camera — Elmo Purnell Joe Butler, Harry Irvin and Hutch Moseley. The shot is a part of a newsreel entitled "America Votes" which will be shown on fighting fronts. It was taken Election day at a local polling place.

Village to Have Bright Spot on U. S. Air Map

Returning from San Francisco where on Nov. 1 he was the first witness before the Civil Aeronautics board hearing air line applications to include Palm Springs on their routes, Walter Kofeldt, secretary of the Chamber of Commerce, said the hearing would result, in all probability, in putting the Village very definitely on the aerial map of the nation.

The local secretary submitted facts and figures on the need of Palm Springs for adequate air line service and told the examiners he was not speaking for any particular line but for all of them.

There are six companies which wish to include Palm Springs on their itineraries, two of them as main transcontinental flight stops and others with feeder lines touching all main southern California cities.

Congressman John Phillips in speaking here Monday, said there was no point more than 50 hours from Palm Springs by air and adequate air service here would make this a reality.

Following his testimony, Mr. Kofeldt presented the examiners with dates furnished by the United Date Growers of California of Coachella and extended a cordial invitation to them to visit Palm Springs before their return to Washington.

England and France in Wartime Described Here by Congressman Phillips

Greeted by 60 prominent Villagers and winter residents, Congressman John Phillips was guest of honor at a luncheon tendered him Monday by the Chamber of Commerce and city officials. Mr. Phillips and family were visiting in the Village on the eve of his departure for Washington, D. C.

Introduced by Mayor E. E. Therieau, the congressman spoke of his recent trip to England and France on invitation of the British government.

MAKE FAST TIME

He said he left the United States after dinner on the evening of Sept. 9 and had dinner on the evening of Sept. 11 in London.

"And that was slow time for we spent most of the 10th in Ireland," he said.

He highly praised the spirit of the English people who took the war in stride. They refused to be

Fix Sixth War Loan Quota Here

Quota set for Palm Springs in the Sixth War Loan Drive, scheduled to start Nov. 20, was announced as \$354,000 by Chairman J. M. Johnson of the county war loan committee.

In the Fifth War Loan drive the quota was \$346,000.

(Five from Village attend county-wide war loan meeting at Riverside. See Page 2, Col. 2.)

State Group to Stop Here Next Tuesday

Top state highway officials will be extended a personal invitation by Ray M. Sorum, city manager, to be guests of the city and Chamber of Commerce next Tuesday noon when they stop over here on a tour of the southland, surveying major southland postwar highway projects.

Sponsored by the state chamber of commerce, the three-day tour will include informal conferences with supervisors and other interested groups in Los Angeles, Riverside, San Bernardino, El Centro and San Diego.

The group will be in Riverside (Please Turn to Page 4)

Fighting Men to See Movie About Village

Movie cameras will soon carry the name and fame of Palm Springs to fighting fronts all over the world as result of appearance here this week of a Signal Corps moving picture crew, working for the Army and Navy Screen magazine, a serviceman's newsreel, which sends home views throughout the world to army posts, right up to the front lines.

The feature taken this week is entitled "America Votes" and the feature was taken at the polling place at 215 Chuckawalla road. To make it typically a Palm Springs and desert picture, four members of the Los Compadres club obligingly donned western attire and dashed up to the polls on their favorite steeds, dismounting to stamp into the polls to vote. Those starring in the Signal Corps thriller were Elmo Purnell, Los Compadres' new president, Joe Butler, Herschel Moseley, past Los Compadres president, and Harry Irvin, of the Apache Lodge.

War Chest in Need of More Aid

Charles Mathews, chairman of the residential solicitation portion of the local War Chest drive sounded an S. O. S. today for volunteer workers to aid in the house-to-house canvass for the Chest.

Because of the election excitement, the Chest drive bogged down last week and Chairman

This week's Honor Roll of subscribers to the War Chest may be found on Page 12, Cols. 3-6.

William Dean expected a comprehensive pick-up now that the balloting has passed.

"There is much work to do to put Palm Springs over its goal," he said Wednesday, "but I'm sure it can be done. The distraction and excitement of the election slowed the drive down but that is out of the way now and we'll go ahead to a successful climax."

Committeemen in charge of the business district, hotels and apartments and military installations were also busy and it is hoped that the \$27,642 can be reached within the required time.

Village for GOP Ticket by 261 Votes

State, Nation; However, Go For Democratic Party

Marking probably the largest number of voters to flock to polling places in the city's history, 1371 Villagers dropped into their respective polling places Tuesday to stamp their little X's for the men of their choice.

Unlike the nation, Palm Springs swung into the Dewey-Bricker column, giving the GOP candidate 793 votes to President Roosevelt's 562. Watson, the prohibition candidate, got one vote in the Village.

FOR HOUSER, TOO

The Village also gave Frederick Houser a 809 total to Senator Downey's 448, another reversal of form from that of the state as a whole.

In the local legislative race, Nelson Dilworth polled 753 votes in the Village to 442 for Frank Dunbar, his Democratic opponent. Dilworth was elected to the state senate in the county-wide count.

FOR BOYD, PHILLIPS

The Village gave Congressman John Phillips, unopposed, a complimentary vote of 1032 and their fellow townsman, Philip L. Boyd, unopposed for the assembly, a rousing complimentary endorsement of 1097 votes. Assemblyman Boyd also set something of a record in the county as a whole. County voters, despite the fact he had no opposition, piled up a tremendous 28,984 total for him, the highest vote given any candidate.

Congressman Phillips county vote was 28,982, just behind Boyd's.

CATHEDRAL CITY

In Cathedral City a record 114 votes were cast. There, Roosevelt voted out Dewey, 80 to 78 but (Please Turn to Page 8)

In A Nutshell—

President Roosevelt victorious in 36 states with 432 electoral votes, Dewey in 12 with 99, so it'll be Roosevelt and Truman.

Senator Downey leading Frederick Houser for the U. S. Senate by 140,000 with only 400 precincts unchecked.

Nelson Dilworth wins state senate race.

The \$60 at 60 proposition was snowed under.

The Right to Work amendment lost by almost 500,000.

No. 9, the school fund measure, won by over 600,000.

Lily Pons Here for Brief Rest

Lily Pons, noted operatic star, is again a guest at the Ingleside Inn, her favorite spot while on the desert. She is stopping over here en route to New York from a successful opera season on the coast.

In New York she will join her husband, Andre Kostelant, famous orchestra leader and from there plans to go on another USO tour of the battlefronts. Because of the forthcoming tour to entertain fighting men overseas, she is cancelling her Metropolitan season for next year, she told Mrs. Ruth Hardy, owner of the Inn.

Miss Pons has been here for a week enjoying the sunshine of the desert and leaves tomorrow for the east.

**Villagers Attend
Session Launching
Sixth War Loan**

Five from Palm Springs were represented Thursday night at a meeting in Riverside at which time the county's sixth War Loan task was outlined.

Attending from Palm Springs were Tom Holland, chairman of the war loan drive, Col. A. B. Jones, commanding officer at Torney General Hospital, Postmaster R. M. Gorham, Francis F. Crocker and Henry Greeley.

MANY SPEAKERS

Treasury department officials from Los Angeles addressed 150 county War Loan leaders at the dinner session held at the Mission Inn.

State Chairman of the Treasury department, R. H. Moulton, was the principal speaker and paid tribute to Riverside county—and to Palm Springs—for the splendid record made in recent bond drives.

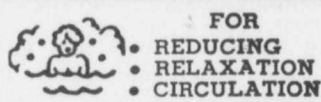

"Treasury reports indicate that more than \$35,000,000 in bonds have been purchased in this county since July 1, 1941," he said. "This is an outstanding achievement, one that places your county well up among the quota 'busters' of California. It is a notable factor in speeding weapons and supplies far across the Pacific, and to Europe, to our armed forces."

CITES RECORD

"Sale of E bonds alone in Riverside county total \$9,000,000. Under war financing during the past 3½ years, Southern California has been credited with the sale of \$1,675,000,000 in bonds, which is a sizeable amount and a figure for other sections of the country to shoot at. With the completion of war financing in December, the state of California will chalk up sales for 1944 in war bonds of \$800,000,000."

Chairman J. M. Johnson of the Riverside County War Loan committee introduced the War Loan leaders in the various county communities, including Palm Springs' Tom Holland.

Mr. and Mrs. S. Greenfield of Palm Springs were recent visitors in Los Angeles, staying at the Town House while there.

MUSEUM NOTES

(By T. A. D. COCKERELL)

The technique of making exhibits come alive is increasingly popular, as it is better understood. The best illustration of this technique is shown in the exhibits of the trap-door spider at the Desert Museum, and the very remarkable Eastman motion picture showing the spider making its nest.

To most people the curious, yellowish larva of a wood-boring beetle is a bit astonishing. Two such larvae were brought in by a man working in Cat's Claw. They live in the wood of the roots. Mrs. Spencer Kellogg found a Water-scorpion, or Ranatra, in Albert Frey's pool, and brought it to the museum. It is a true insect. It is called a water scorpion, but is not in reality related to the scorpions. The long tail is for breathing. It has wings and flies at night, hence its occurrence in a pool in the desert.

North of town, along the wash, grows Scale-Broom. It is adapted to desert life with leaves reduced to scales. The seedling plants show distinct leaves.

Programs are given at the Desert Museum, around the corner from the main Library building, every Wednesday and Saturday evening. The Museum is open on those evenings from 7 to 9:30.

**Well Known Actor
Among New Home
Owners In Village**

Among recent arrivals in Palm Springs who purchased a home here is Herbert Munson, well known in the theatrical profession from coast to coast.

"Members of the profession continue to select Palm Springs as their permanent home," he said. "Inasmuch as most of them, in their travels are familiar with all sections of the country, it is further proof that the Village is the final choice."

After many years in the east, he took the management of the Overholser Theatre in Oklahoma City, at that time the leading attraction house. When the higher class attractions discontinued their road shows, Mr. Munson opened the Metropolitan theatre, in that city, with his own stock company and the following year inaugurated the Inter State Orpheum Circuit in Oklahoma City. He then went to the Orpheum in Tulsa, and, after two years there developed a case of pneumonia, which brought him to California for a rest.

Deciding to remain in California, he was soon after, elected president of the Troupers of Hollywood, in which capacity he served for three years. During the past two years he has been managing the Troupers Theatre in Hollywood, resigning at the conclusion of his contract with Dante, (now appearing at the Biltmore) to make his permanent home in Palm Springs.

**80,000 Motorists
Read About Village**

The National Motorist, published monthly by the National Automobile club, in its November issue, carries a full cover picture of a desert scene near Palm Springs and a three-page article, profusely illustrated, by Walter Kofeldt on the lure of the Village as a winter playground.

The magazine has an 80,000 national circulation, further spreading the fame of Palm Springs.

**Another Aide Added
To Chamber Staff**

Business at the office of the Chamber of Commerce is booming. To handle the vast amount of detail work brought on by the busier season, Miss Ruth Jones joined the staff this week.

She will assist Miss Gerry Worth who has been aide to Walter Kofeldt, secretary, for the past few weeks.

About 400,000 fires occurred in U. S. homes in 1943.

**Power of Minority
To Hold Up Peace
Told By Lecturer**

The provocative question of how the U. S. Senate is going to handle ratification of peace negotiations after this war was discussed at the second public forum meeting held in the Frances Stevens school auditorium last Thursday evening.

Dr. Wilbert L. Hindman, professor of Political Science and specialist in the field of propaganda analysis and in problems of public opinion, was speaker. He pointed to a necessity for senate ratification of any peace treaty worked out by world leaders, even if the treaty has patent imperfections, so that the United States will not again be dragged into war as a result of blind and stubborn isolationism.

MUST WORK TOGETHER

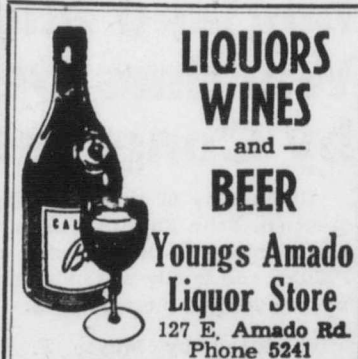

"The United States Senate must not again have six months of acrimonious debate following the conclusion of hostilities and then kill the new proposals for a federation of the allied powers as it did in the case of the Treaty of Versailles. "Nor," said the speaker, "can we afford to invalidate the new treaty with a multitude of disabling reservations. The United States must talk and plan and work with other world powers after this war in a sincere effort to lay the foundations for permanent peace. Even if it doesn't get everything it wants out of a Federation or League it should not hesitate to be a participant in such Federation or League."

Dr. Hindman pointed out that the conflict between the Senate and the President of the United States on the matter of treaty making was not of recent origin. The Senate, he said, was originally expected to give "advice" and consent, but its "advice" was unwelcome from the start. Ever President Washington found that "consent" was what he wanted from the Senate, not advice. And from Washington's time to the present the "advice" of the Senate has not been sought in treaty making and the problem of getting its "consent" has been a knotty problem, chiefly because of the two-thirds rule.

MINORITY STRONG

The danger of a willful minority in the Senate being able to hold up treaty ratification was reviewed in detail by the speaker. "It would be possible," he said, "for 17 senators representing only 11 per cent of our people to hold up this ratification. "This, he explained, could happen if only a quorum of Senators were present to vote on the issue and if those present were from the sparsely populated states. The extreme hypothetical situation was used to illustrate a possible circumvention of the popular will with respect to participation of the United States in united action for peace."

"Post war commitments," the speaker cautioned, "will be made by and with the consent of the Senate, and not by Presidential order. Despite the repeated use of executive orders in negotiations with foreign powers, which negotiations border on treaty making, there is little prospect that the Senate can be by-passed in this matter. We must see to it that our Senate gets the necessary two-thirds vote to put us into the new League or Federation so that the ominous threat of another war will not again hang over us."

Sunday school at 9:30 a. m.
Wednesday evening services at
8:00 p. m.

CHRISTIAN SCIENCE CHURCHES

"Mortals and Immortals" will be
the subject of the Sunday Lesson-
Sermon in all branches of the
Mother Church. The First Church
of Christ, Scientist, in Boston. The
Golden Text is from I Corinthians:
"As is the earthly, such are they
also that are earthly; and as is the
heavenly, such are they also that
are heavenly."

John's Gospel relates that a "no-
bleman, whose son was sick at
Capernaum," came to Jesus, and
said, "Sir, come down ere my child
die. Jesus saith unto him, Go thy
way; thy son liveth. And the man
believed the word that Jesus had
spoken unto him, and he went his
way." Later when the father en-
quired of his servants "the hour
when he began to amend . . . the
father knew that it was at the same
hour, in which Jesus said unto
him, Thy son liveth; and himself
believed, and his whole house."

Mary Baker Eddy writes in "Sci-
ence and Health with Key to the
Scriptures": "Jesus beheld in Sci-
ence the perfect man, who appeared
to him where sinning mortal man
appears to mortals. In this perfect
man the Saviour saw God's own
likeness, and this correct view of
man healed the sick."

Many From Village C. E. Society At County Convention

The Christian Endeavor society
of the Community church was
well represented last week at
the three-day county C. E. con-
vention which closed Sunday at
Riverside. Attending from Palm
Springs were Mary Louise Klug,
Nancy Nye, Dixie Smith, Hazel
Veith, Dorothy Winterton, Joane
Wilkes, Elaine Purnell, Betty
Rust, Frances Nash, Connie Nash,
Adel Wood, Patricia Fowler,
Mary Coutts, Donella Knupp,
Betty Wright and their counsel-
lor, Miss Virginia Westmoreland.
Mrs. J. R. Macartney, wife of
the pastor of Community church,
and Mrs. William Veith, also at-
tended.

Miss Westmoreland, pianist and
composer, was one of the con-
vention pianists.

John W. Senger of Perris was
elected president of the county
Christian Endeavor society at the
close of the session.

Catholic Church Ladies Called to Meeting Nov. 17

A meeting of the ladies of the
parish of Our Lady of Solitude,
Catholic church, has been called
for 3 p. m. Friday, Nov. 17.

The group, of which Mrs. Ar-
mand Turomnet is president and
Mrs. Earl Hough, secretary, will
meet at the rectory.

Rationing Plan Has Kept Market Baskets Full Up

Joe Butler, manager of Safe-
way here, called attention to an
interesting comparison Wednes-
day.

In World War I, he said, \$2.65
would buy only 10 pounds of
sugar.

In World War II, the same
amount will buy ten pounds of
sugar AND a full market bas-
ket full of other items including
bread, butter, coffee, cheese,
soup, fruits and vegetables.

That's an interesting side-
light on the value of point ra-
tioning, he said, and of price
regulation.

Pay your telephone bill before
the 30th and receive a discount.

7 Villagers Will Attend Episcopal Church Gathering

Seven residents of Palm
Springs, members of St. Paul's
in the Desert, Episcopal church,
will go to San Bernardino next
Monday to attend the semi-an-
nual convocation at St. John's
church in the Gate City.

Delegates from St. Paul's are
Levering Moore, Francis F.
Crocker, Frank W. Camp, Mrs.
John S. Hobson, and Mrs. Eber
D. Managa. Mrs. Moore, as vice-
president of the Convocation, will
also attend and preside over the
Women's Auxiliary.

The Rev. Robert M. Hogarth,
vicar of St. Paul's is on the pro-
gram for an address on "Branch
Sunday Schools."

"Many of our strongest parish-
es today grew out of Sunday
schools started as labors of love
by devout Christians in well es-
tablished parishes, extending their
services to adjacent suburbs and
towns," he said.

Community Circle Will Meet Nov. 21 At Carpenter Home

Community Circle of the Com-
munity church will meet Tuesday,
Nov. 21, 2:30 p. m., at home of
Mrs. N. U. Carpenter, 215 Via
Lola to hear Miss Lora Wilkin-
son, head of Torney General Hos-
pital Red Cross in an interesting
and timely talk.

Miss Wilkinson, who has seen
service overseas, will discuss the
work of Nurses' Aides at Torney.

Parenthood Topic Of Dr. Macartney Sunday Morning

Dr. J. R. Macartney of the
Community church will speak at
11 a. m. Sunday on the topic,
"Does it Pay to be a Parent?"

"During 1943, 2, 700,000 bundles
from heaven arrived, more than
ever before. They are all poten-
tial candidates for Christian char-
acter or to be a liability or a men-
ace," he said.

In the evening his subject will
be, before the young people of
the church, "Why Does Marriage
Get the Best of So Many Peo-
ple?"

Dr. Macartney announced that
Thanksgiving Day services would
be held at the church at 10 a. m.
Thursday, Nov. 23. A special ser-
vice is being prepared.

The pastor also announced that
a Nation-wide Bible Reading
from Thanksgiving to Christmas
had been sponsored by the Amer-
ican Bible society. Designated
portions for each day and week
will be announced from the pul-
pit and in the church bulletin.
The passages selected were chosen
after a nation-wide survey of
pastors and chaplains. Probably
50 million persons will be reading
simultaneously the assigned ver-
ses, Dr. Macartney said.

Former Engineer Takes Pastorate At Local Church

C. H. Austin, a former locomotive
engineer with the Southern
Pacific railroad, has accepted the
pastorate of the Full Gospel
church on South Indian avenue.
He is an ordained minister with
the Assemblies of God and comes
to the Village with experience as
an evangelist, pastor and teacher.
Mr. and Mrs. Austin are resid-
ing for the present at the Desert
Trailer Court.

Weber's BREAD-TIME STORIES

KITCHEN TRICK

FOR A NEW CHANGE in baked pears, try
covering baked pears with egg white
stiffly beaten and
sweetered. Return to
oven and brown. Makes
a grand dessert and
worth the extra bit
of work.

HOUSEHOLD HINT

HERE'S A SMART trick to remember. Al-
ways keep a supply of paper spoons
on hand for those oc-
casions when taking
liquid medicines.
This way you avoid
ill-tasting or
stained spoons.

RECIPE

PAPRIKA ONIONS

15 small onions
½ c. dark corn
syrup
½ tsp. salt
2 tbsp. margarine
paprika

Peel onions and cook in salted water un-
til almost tender. Drain thoroughly.
Melt margarine, add corn syrup and a
little water. Simmer until glazed, then
sprinkle with paprika. Turn them con-
stantly but don't overcook.

FIGHT ON

KEEP BUYING War Bonds. In that way you
keep yourself on the fighting
front. Of course,
War Bonds are a good
investment, but,
above all, they're a
patriotic duty. Make
that duty a welcome
privilege by buying
more War Bonds—and
more War Bonds.

Roosevelt Wins

The people of the United States have re-elected President Franklin D. Roosevelt to serve a fourth term in the White House. We pledge to him our fullest support in the war effort and on the home front.

The Palm Springs Desert Sun supported Governor Thomas E. Dewey for reasons enumerated in previous issues of The Sun, however, like all patriotic Americans the owners of this newspaper will abide by the decision of the majority and work to win the war and the peace that will follow.

This is as it should be in a democracy. It is the thing the men on the battlefields of the world are fighting for now.

Vote of Confidence

Gratifying to Villagers was the tremendous vote of confidence given our Phil Boyd at the polls Tuesday. Although elected at the primary and unopposed for the state assembly at the general election he polled the highest vote in the county, all of it complimentary.

Mr. Boyd, a confessed novice in politics, surprised the most seasoned campaigners with the majority he piled up at the primary. But he didn't stop there. Although elected, he continued to call on his constituents to learn their needs and desires.

To those who know him, this sense of responsibility was no surprise. It was the sort of thing they'd expect him to do. To others it was something unique in the way of politics, but it again demonstrated his sincerity and impressed the district with the fact that they had made no mistake in placing their confidence in him and their affairs in his hands.

"I Rise to Remark"

By CONGRESSMAN JOHN PHILLIPS

Steps to Peace:

This is written four days before the election. In the short space of only eight weeks I have been in Washington, in England, in France, in Ireland, in Scotland, back in Washington, and in California, and out here I have crowded into three weeks the pleasure of seeing the people of almost every part of the 22nd district.

There are impressions of this eight weeks, at times confused in my mind, now taking form. I had come back greatly concerned over the lack of interest in post-war matters, particularly the problems of a world organization proposed for the keeping of the peace of the world.

It has pleased me to see the

increasing interest in this subject. There are few people in England, of any walk of life, who do not have knowledge and a keen interest in the importance of export trade, of the conditions of the peace; of post war plans, and of foreign affairs, to their own country and consequently to themselves. There are few people in America with this same interest and knowledge.

One result is the belief, held by the English for example, that the president of the United States speaks for people of United States on this matter of post-war peace plans. This was not so in 1919; it is not so in 1944. No president, Republican or Democrat, speaks for the people of the United States on a matter of such vital

AMERICAN JUNIOR RED CROSS

Junior Red Cross High School Board To Be Featured on Vox Pop Program Favors Purchase of Field Club Plant

Word has been received that the American Junior Red Cross will be featured in the coast-to-coast "Vox Pop" broadcast on Monday, November 13, over the Columbia Broadcasting system at 9:30 p. m., Pacific daylight saving time.

Originating from the town of Chico, this important night-time show will build its entire program on that date around the Junior Red Cross and its enrollment drive.

Plans to continue the active work of the Junior Red Cross in Palm Springs this season are already well under way.

importance; the people speak for themselves. The greater rural areas; the middle west, the far west will have a greater influence in the making of a post-war plan to prevent war than any individual or any group.

This being so, would it not be well for men and women of these areas to think more than they do now of this post-war plan? If you say it is to early, then look at this list of things already done.

August 14th, 1941, The "Atlantic Charter", signed by the President and Mr. Churchill. It has never to this day been brought before the Congress of the United States nor the Parliament of England for discussion.

Do you recall the "14 points" of President Wilson? That was accepted by the nations; it was approved apparently by the people, but it was never laid before the representative bodies, and the tailspin of 1919 resulted.

September 29, 1941, The allied nations, including Russia, approved the "Charter."

In October, the International Labor Office, meeting in New York, voiced its approval.

DECEMBER 7, 1941, PEARL HARBOR.

January 1, 1942, The United Nations Declaration. 26 nations signed, 7 subsequently added their names. Also in January, 1942, the American Republics, at Rio de Janeiro, approved the Charter.

January 29, 1942, Great Britain and Russia made an alliance with Persia.

February 23, 1942, The president, in a message to the Congress, referred to the "Four Freedoms." The same day marked the "Mutual Aid Agreement" between Britain and the U. S. about lend-lease.

May 26, 1942, Great Britain and the U. S. S. R. (Russia) signed a treaty for twenty years.

January, 1943, Casablanca. A military conference.

June, 1943, The food conference at Hot Springs, Virginia.

November, 1943. We set up "UNRRA" — the United Nations Relief and Rehabilitation Administration.

November, 1943, The Four Power Declaration at Moscow.

December 1st, 1943, Cairo.

December 6th, 1943, Teheran.

Subsequent to all these, have come the monetary conference at Bretton Woods, and the conference at Dumbarton Oaks in Washington.

Do you know what happened at each one of these? Do you know what was proposed? Do you

Palm Springs high school board, in session Monday, went on record as favoring the purchase of the Field Club with adoption of the following resolution:

WHEREAS, through the several years' experience in our present location, we, the Board of Trustees of the Palm Springs Union High School District, have found that the site of the High School and the Junior High School is an ideal one for the training of our youth, being free from the distractions of the city center; and,

WHEREAS, the Field Club property which is adjacent to the High School and the Junior High School offers the same advantages for the establishment of a recreation center for our teenage youth, as well as adults;

NOW, THEREFORE, BE IT RESOLVED: That this Board of Trustees of the Palm Springs Union High School District does hereby endorse and recommend the purchase of the Field Club site by the City of Palm Springs and the establishment thereon of an adequate recreation center and facilities for wholesome activities of all of Palm Springs, its youth, its adults, and its guests.

Sacramento Man Purchases Local Tailoring Firm

C. F. Jones of Sacramento this week completed a realty transaction wherein he bought the business of Mr. and Mrs. Manuel Karidakas, known as Manuel the Tailor, on Andreas Road.

The name will be changed to the Universal Cleaners.

Mr. and Mrs. Karidakas, who have operated the firm for the past 17 years, plan to take a long rest.

Spark plugs should be checked at least every 5,000 miles, particularly in cold weather, for bad plugs can waste as much as one gallon of gasoline in every 10.

know what commitments were made? On this developing program will depend the future peace of the world, and the future of the United States and our people.

If you can not say "Yes" to the three questions, then I think it would be a good thing, as an individual, or through the organizations to which you belong, to discuss these meetings and to find out the answers.

HERE NEXT WEEK — Eddie Bracken in "Hail the Conquerin' Hero" at the Palm Springs theater Wednesday through Friday.

Entertainment At The Dunes Takes On New High Tone

Ruby and his Violin, long a popular combination in the Village, will get together again at The Dunes where Ruby and his wife, Connie Barleau, managers, are looking out for the needs of a growing clientele.

Ruby consented to be heard in request solos after repeated appeals by diners.

The Dunes added a new attraction this week in Joe Marino, eastern piano sensation, who will open a limited engagement this evening.

In the meantime the cuisine by the internationally known chef, John Knechtle, is continuing to please throngs nightly from 5 p. m. and on Sundays from 2 p. m.

MORE ABOUT . . .

State Group . . .

Monday, thence go to San Bernardino. After the conference there, they will come to Palm Springs, enroute to El Centro, and plan to stop here for lunch.

At a meeting of the highway committee of the Palm Springs Chamber of Commerce Tuesday, it was voted to extend an invitation to the group to be guests of the chamber and city on that occasion.

SORUM DELEGATED

Mr. Sorum, who will attend next Monday's meeting in Riverside, was delegated to extend the city's invitation in person.

State executives who will participate in the tour are C. H. Purcell, state director of public works; Harrison R. Baker of Pasadena; Homer P. Brown of Placerville; James A. Guthrie of San Bernardino, F. W. Sandelin of Ukiah, C. Arnholt Smith of San Diego and Chester H. Warlow of Fresno, all state highway commissioners; G. T. McCoy, state highway engineer; Fred J. Grumm, assistant state highway engineer; S. V. Cortelyou, E. Q. Sullivan and E. E. Wallace, district engineers; county supervisors, chamber of commerce officials, county and city executives, representatives of the Automobile Club of Southern California and other regional and local groups.

DISCUSS HIGHWAYS

Present at Tuesday's session were the Chamber highway committee, Robert Ransom, chairman, Phil Delano, Francis F. Crocker and Ray Sorum and Mayor E. E. Theriault, Assemblyman Philip L. Boyd, W. R. Hillery and Claude Cobb of Cathedral City, Gordon Feekings, president, and Walter Kofeldt, secretary, of the Chamber of Commerce.

The meeting favored the bypass proposition with reservations as detailed in another story on this page about Wednesday night's council meeting, and opposed converting Palm Canyon drive into a four-lane highway and for the present, tabled action on the proposed short-cut up Palm Canyon to connect with the Palms to Pines highway.

READ THE CLASSIFIED

You're Modern—
At the War-Bond Booth—What a sprightly, modish costume does for you! You'll want to do as much for your War Bond Home of Tomorrow . . . Make it modern?—with Gas of course!

You're Practical—
You'll want your kitchen tasks to march along without a hitch. So the more dependable, the speedier, the more convenient your postwar appliances are—the more practical! You'll want Gas of course.

Who says a modern girl isn't practical, too!

Take Tomorrow's Gas Kitchen—Suppose you're entertaining your most extra-special dinner guests; or just doing "three squares" for your family . . .

There's nothing strange in wanting your postwar kitchen modern: a comfort and a delight to work in . . . And practical: so smoothly efficient you fairly whisk through your tasks.

It's only human to take pride in your modern Gas beauties—your gleaming CP Gas Range, your fully automatic gas water heater, your prized Servel Gas refrigerator, perhaps even the handpicked "weather" of a new all-year gas air conditioner . . .

It's practical—to be "modern" with Gas. Very much so!

SOUTHERN CALIFORNIA GAS COMPANY

Make it MODERN... and PRACTICAL, too

Freeway Route ...

been definitely revived. Since he was a delegate to this meeting at Riverside, he said the purpose of the meeting was to acquaint him with the attitude of Villagers on this by-pass road.

He explained that the proposed by-pass would be the main freeway to the east, to eliminate the present grades and curves on Highway 99 and to provide a new, easy route out of the wind which now hampered traffic on U. S. 99 on the other side of the valley.

READ RESOLUTION

The mayor pointed out that the proposed route would separate the northeast section from the town and that it would traverse the airport.

Robert Ransom, chairman of the highway committee of the Chamber of Commerce then read resolution adopted by the chamber, favoring the by-pass route provided Palm Springs was protected. Discussion of a proposal to make a four-lane highway out of Palm Canyon drive

followed and the mayor said he believed that the threat to do this was only a whip over Palm Springs to get the city to approve the by-pass.

MOTION ADOPTED

Discussion of the proposed by-pass and its effect upon the city followed. Mr. Crocker thought that the city's Master Plan would prevent the state highway commission from going where it wanted to but City Attorney Roy Colegate said it was his opinion that the Master Plan would not be binding on the state.

Following further discussion, Councilman Nichols, to bring the matter to a head, proposed the following resolution:

The city of Palm Springs desires to control the development of Palm Canyon drive in such a way that it not become a through heavy traffic artery and to this end the city opposes any effort to widen it, at present, to a four-lane highway and further, that the city of Palm Springs recognizes the need of a limited access freeway extending from San Geronio Pass to the Coachella Valley and urges that, in conformity with the accepted practice of avoiding towns and cities in laying out freeways, that the proposed freeway be located outside of the city limits of Palm Springs if possible. If not, then it should be located so as to skirt the Palm Springs airfield and all subdivided or developed area in the city.

AMENDMENTS MADE

Mr. Crocker said he would second the motion if Mr. Nichols would delete the sentence and phrases starting with "if possible." Mr. Nichols agreed, saying that, on second thought, these phrases weakened the resolution.

Mr. Ransom then offered an amendment mapping a specified route and Walter Kofeldt of the Chamber, offered an amendment to provide for suitable ingress and egress roads and for underpasses for equestrians.

ONE WINS, ONE LOSE

The gathering first voted on Mr. Kofeldt's amendment and adopted it. They voted down Mr. Ransom's amendment on contention that it was inconsistent with the original motion. Mr. Nichols resolution was then adopted by a vote of 14 to 3.

Mr. Ransom protested, saying that the action of the town meeting was not in conformity with the action of the highway committee of the Chamber and asked that the latter by submitted as a minority report. This was protested in that the purpose of the meeting had been to give Mr. Sorum a recommendation to take to the Riverside meeting and that a minority report would indicate a lack of unity.

NO ACTION TAKEN

No action was taken on the minority report plea and Mr. Sorum will go to the meeting of highway officials at Riverside Monday, armed with the knowledge that the city of Palm Springs is unalterably opposed to making a through highway out of Palm Canyon drive but will favor the proposed by-pass freeway—providing it is not of a detriment to the city and its principal industry—that of being America's foremost desert resort.

You can make an oatmeal pack by mixing oatmeal, witch hazel and a few drops of cologne to form a thick paste. Put on face and when dry, remove with cold water.

Army And Navy Officers Organize To Combine Work Of Military Installations In Riverside County And Discuss Problems

Coordination of activities of military installations in the Riverside area is the goal of a newly-formed organization composed of Army and Navy Commanding Officers which held its first meeting Monday at the Camp Haan Officers Mess.

The luncheon meeting, called by Col. Samuel White, Post Commander at Camp Haan, was followed by a round-table session, in which the CO's discussed problems of mutual military interest.

Some of the topics introduced at the meeting included uniformity in passes and uniforms, venereal disease control, housing for military personnel, observance of V-Day, uniformity of Post Exchange prices, military police courtesy patrols and Army-Navy participation in the Sixth War Loan Drive, which gets under way this month.

The organization which is to

meet regularly once a month, is modeled after a similar organization in Salt Lake City and vicinity. Commanding officers of 20 Army and Navy installations in the Southland attended yesterday's meeting.

Entertainment during luncheon was furnished by the 148th Army Ground Forces band.

MORE ABOUT ...

Congressman ...

and appeared at dinners and other affairs in their informal clothing.

"Just like in Palm Springs," he smiled.

Going to France, he declared he was awed by the vast display of U. S. might.

"You'd have to see it to believe it," he said. "American ingenuity made the greatest harbor in the world out of an unsheltered beach in France. The American fighting men had all they needed when they needed it, and in appropriate quantities."

Mr. Phillips was one of ten congressmen who made the trip. It was an informal inspection trip and the members of the party were allowed to roam at will on their survey of American fighting forces overseas.

State Chamber to Aid Tramway Plan

The State Chamber of Commerce is fully informed on all facts concerning the Palm Springs Aerial Tramway plan and is heartily in favor of it, Walter Kofeldt, secretary, was informed when he attended a meeting of the organization in San Francisco last week.

There were 75 at the session and Mr. Kofeldt spread Palm Springs good will by distributing dates donated to the Chamber by Fleta Wroughton of the Desert Garden Date shop.

Shall the City Buy the Field Club?

Yes---

By EUGENE E. THERIEAU
Mayor of Palm Springs

The PALM SPRINGS FIELD CLUB property is the forty acres immediately adjoining the West side of the high school and Junior high school. Improvements include thirty acres fenced, grandstands, grass turf, rest rooms, stables, pipelines, track and athletic fields and some furniture and equipment which have cost over \$25,000. The land alone is reasonably appraised at \$30,000.

During the pre-war years this beautiful location was annually the site for our Desert Circus, a community colorful event which brought a week's springtime entertainment and a popular western atmosphere to our Village.

Thousands have enjoyed the Circus and tens of thousands have seen its color pictures. It is one of the events which has contributed to Palm Springs' fame and made it a little more distinctive than the usual small resort town. It has brought pleasure to our guests and profit to our merchants. Future Circuses would be popular.

On the Field during recent years night baseball, football, gymnastics and polo contests have been held. In wartime under lease to the city and financed largely by Federal Government grants the Field Club has served for night baseball and as an Army Camp accommodating up to five hundred soldiers on furlough at the Desert Training Area.

It has long been assumed by the developers of this project that it should belong to the community and become a public recreation area.

Today Palm Springs, a Village of 10,000 is on the verge of a rapid postwar growth. All indications of real estate sales and postwar development plans promise that we shall have within a very few years a resort area of 25,000 inhabitants. Our civic leaders who advocate the purchase of the Field Club are looking ahead to plan a well balanced community.

It is our responsibility to our home owners and visitors to provide a public recreational area centrally located where outdoor sports can be encouraged. A location for a public swimming pool and other equipment is needed.

The Field Club is centrally located at the intersection of two important arteries of traffic, Sunrise Way and Ramon Road. As the town grows the center of population will move in the direction of this site adjoining our well located new schools. All who have sat in the grandstands will recognize that the view of our San Jacinto mountains at this spot will deeply impress the memories of all who enjoy the experience. Here our sons and daughters can participate in healthy outdoor sports under wholesome conditions. The site is ideally situated for a recreation center for our teen-age youth.

Arizona and Florida towns of a resort appeal similar to ours, pride themselves on their outdoor recreational facilities. Those of us who are jealous of our reputation and are thoughtful concerning the future do not feel that we can fall behind. Palm Springs is now world famous as a distinctive western desert resort. We cannot afford to sink back to the level of just another small crossroads town which has

failed to realize its full opportunities.

CAN THE CITY AFFORD TO BUY THE FIELD CLUB?

We believe that it can. The owners of the property are willing to arrange terms which will spread the cost over a period of years. Should the money not be available from annual income, the city treasury has accumulated a reserve which can be used for this purpose. This and other projects should be part of our post-war program of expanded facilities. (We need a larger jail, an improved sanitary plant, and more roads.) Let us not forget that our youth and our guests need wholesome outdoor activity under our ideal climatic conditions.

This property can be purchased today for \$37,167. Many of the stockholders of the Field Club are willing to donate their shares which may reduce the price to less than \$30,000. If the city misses this opportunity, the owners will sell for other development. The site will be split up and never again available for public use.

Practically every civic organization in Palm Springs, interested in the development of the community, has endorsed the purchase proposal as a means to furthering the development of Palm Springs. The Owen B. Coffman post of the American Legion, the Chamber of Commerce, the City Planning Commission and the City Recreation commission have investigated and put their stamp of approval on the project. The high school board, from its own years of experience in that locality, has endorsed the purchase because the site is ideal as a recreation center for teen-agers. These organizations have studied the matter and after study, are for the purchase.

A VOTE FOR THE FIELD CLUB PURCHASE ON NOVEMBER 14th IS A VOTE TO INSURE THE FUTURE OF PALM SPRINGS.

By CARL G. LYKKEN
President, Palm Springs Field Club

The Palm Springs Field Club property for the last few years has been held and developed by its owners with the expectation that it would become the property of the city of Palm Springs. Public activities there have been organized for the citizens and guests of our community. Over five years ago, by resolution, our Board of Directors went on record that all profits from operations should either be contributed to charity or used for the development and maintenance of the grounds to preserve them for ultimate public recreational use under municipal ownership and direction.

The city of Palm Springs for the past two years has leased the Field Club property and secured an option to purchase. Now on Tuesday, November 14th the proposal to purchase is being submitted to the voters of Palm Springs. The price of \$37,176 is substantially less than it would require to duplicate the property and improvements.

Should the city find the proposed three years terms to be burdensome and seek more lenient terms, our Board of Directors have agreed to recommend to their stockholders a more liberal payment plan to extend over a period of six years, with maximum annual payments of \$6000. It is interesting to note that should the election carry successfully, the cost to the city will be substantially reduced because already public spirited stockholders of the Field Club have agreed to donate large blocks of shares to the city. These proposed contributions now amount to more than one quarter of the outstanding stock and no doubt will increase to a larger proportion soon after the election.

With the two school systems we have planned this recreational area near their facilities. Our young people will always find the Field Club a convenient spot for their outdoor sports and athletic contests.

We hope the voting citizens of Palm Springs will realize that this is their opportunity to take the next step in providing recreation for our community by voting "Yes" to purchase the Field Club at the election next Tuesday.

No---

By ARMAND TURONNET
Councilman, Fifth District

Let's be fair and give the public all of the facts in order to enable them to cast an intelligent ballot on November 14.

According to the advertisement in a local newspaper dated October 26, made by the Palm Springs Chamber of Commerce, I quote: "Do you know a bargain when you see it?" Now every good business man knows that a bargain consists of many factors, principally: The purchase price, the cost of operation, the volume of business and the location.

THE PURCHASE PRICE—It is a known fact that under private ownership the Field Club has operated at a deficit; therefore, it is natural that the owners of the Field Club would set a reasonable price on said club in order that they may "have their cake and eat it, too" while the city foots the bill.

COST OF OPERATION — On November 2 the following advertisement sponsored by the Palm Springs Chamber of Commerce appeared in a local paper—"Here we have ample room to provide an ideal permanent recreation center as well as all requisite facilities for our 'teen-age children, a park and other adequate facilities for adults, both Villagers and visitors." It is evident, therefore, that the recreation program would be centered entirely at the Field Club. Now then, I have before me a document entitled "An Estimate by the City Recreation Commission" dated June 7, 1944. I quote from said document—"1944-45, allocation estimated by commission, \$9,669.50." (Less \$2,000 rent but plus 4% interest on the unpaid purchase balance).

VOLUME OF BUSINESS — Only once or twice a year has the writer ever seen a crowd at the Field Club (desert circus or gymkhana) the balance of the time only a handful of people go out there to witness an occasional baseball (softball) game.

LOCATION — All must agree that the location "is a lopsided affair". It is not within walking distance of any of the thickly populated areas, therefore, due to the present shortage of gasoline it is practically inaccessible to the majority of the Villagers.

Right here the writer wants to say that every person he has spoken to who is opposed to the purchase of the Field Club is definitely in favor of clean municipal recreation and they all are particularly interested in reducing juvenile delinquency. Because the Recreation Commission has at one of its meetings (May 17, 1944) entertained the idea of acquiring ground for recreational purposes on the Indian Reservation, more specifically at the corner of Indian Avenue and Ramon Road. The writer, as chairman of the Committee on Indian lands, investigated, then secured and presented to the City Council on September 20, an option to lease the old baseball diamond adjacent to the golf driving range at the corner of Indian Avenue and Ramon Road at a rental of \$37.50 per month plus \$1.50 for all water necessary to beautify the grounds (it has cost as high as \$50 a month for water at the Field Club.) Also available to the City are six more acres of ground on Ramon Road around the present golf driving range at the same rental rate of \$37.50 per month for six acres.

This option was immediately referred to the City Planning Commission by the City Council for a recommendation. At a later meeting, on October 4, the City Planning Commission made the following recommendation, I quote—"that this parcel of land be not acquired for the reason that other recreational properties are under consideration." Can anyone tell me why the City Planning Commission or anyone else should give priority to the Field Club? Why not judge the issues on their merit regardless of who made the first application?

May I warn you that you will be told that the lease with the Indians carries a revocable clause? My answer to this is that the Palm Springs Health Center and the Welfare Association have, with councilmanic approval, and are still leasing from the Indians without any fear of being ejected.

Also that the Greyhound buses have just recently made a lease to build their passenger depot there. Also the City of Palm Springs has a 25 year lease (Act of Congress) on Section 18 where the municipal airport is situated (now used by the Army). And this is still more interesting: Two of our councilmen have invested on Indian lands and have made their legal residences there even though their leases had revocable clauses in them. Why then should the proponents be so upset about this cancellation clause?

Let's try to reduce juvenile delinquency by offering a playground in a central location where alcoholic liquors are prohibited by federal law and where the local police are able to give supervision on their regular routes. With such recreation facilities as baseball, tennis, badminton, horseshoes, shuffleboard, croquet, and other sports to the appeal of all age groups.

Again may I mention the same Chamber of Commerce advertisement on November 2—"Purchase of the Field Club will not increase your taxes". I challenge that statement. The city is not financially able to make even the first payment on said Field Club. According to the city budget for 1944-45 the City has an estimated approximate surplus of \$13,670.53. How can it make a payment of \$14,166.67 without robbing one of the other funds? Here is probably what would happen—a transfer of moneys would be made from other funds in order to make the payments on the Field Club and then some means of taxation would have to be devised in order to replenish said other funds. Money doesn't grow on trees, you know—it must and can only come from the pockets of the taxpayer. I maintain that the proponents of this purchase are trying to sell you a "cat in the bag" tied with a nice bow ribbon.

In conclusion, I would advise every voter to first visit the site of the Field Club and see for himself the delapidated condition of the so-called improvements. With the above facts in mind, I hope you will agree with me to vote NO on the purchase of the Field Club.

Canvass of Votes In County to Be Made Monday By Supervisors; 4478 Absentee Ballots to Be Counted Later

County supervisors will begin canvassing the regular ballots on Monday, November 13, and the absentee ballots will be canvassed on November 24. There were 1471 applications for civilian absentee ballots and 3007 for persons serving in the armed forces. Pequegnat said.

In the 176 polling places, for the 179 actual precincts of the county, voters last Tuesday gave Governors Dewey and Bricker an unofficial total of 21,263, as against 18,069 for President Roosevelt and his running mate, Senator Truman. Watson received a total of 349 votes in the county.

HOUSER HAS LEAD

Riverside county gave Sen. Sheridan Downey, Democrat, who carried California, but 15,504 votes, while polling 21,894 for Lt. Gov. Frederick Houser, Republican, of Alhambra. Houser was also a heavy favorite in Riverside county at the primary election.

For congressman from the 22nd district, John Phillips of Banning, Republican, incumbent, was given a complimentary vote of 28,932 in Riverside county. He was elected at the primary, but his name was placed on the general ballot, under election laws. Orange and Imperial counties, which are included in the congressional district, gave Phillips 40,364 and 6,606 votes, respectively.

For state senator, Nelson S. Dilworth of Hemet, a Republican, was given 21,876 votes. His opponent, Frank O. Dunbar of San Jacinto, polled 14,284. Dilworth former assemblyman for the 76th district, now will assume the position of senator for the 37th district, which includes all of Riverside county.

BIG BOYD BALLOT

To succeed Dilworth in the lower house of the legislature, Philip A. Boyd of Palm Springs was elected at the primary. He received a complimentary vote of 28,894 for the office at the election Tuesday.

Councilman Ross J. Carter, who represents the third ward of the city of Riverside, sought the position held by Supervisor Walter Pittman for several years. He totaled 2933 votes, trailing his opponent by 519 votes.

There are approximately 400 absentee ballots, it is estimated in the county clerk's office, to be counted for this district.

NEW SUPERVISOR

The county supervisors will have one new member, taking office upon reorganization of the board in January. He will be C. A. Steves, Corona orange grower, who defeated Ralph W. Stanfield, chairman of the board of supervisors at the May primary election by a vote of 2368 to 2085, in the first district.

Stanfield, also a Coronan, has

New Board Chosen for Red Cross

Fifteen directors were elected and reports of the past year were heard at the annual meeting of the Palm Springs branch of the American Red Cross Wednesday morning at the Fiesta House on the Desert Inn grounds.

Chairman Harold West presided at the meeting.

Directors elected were Ernest Alschuler, Mrs. Thomas O'Donnell, Harold West, Mrs. Florence Lockett, Mrs. John Hornel, Philip L. Boyd, Charles Henderson, Mrs. Blanche Turonnet, Henry Weinberger, Frank W. Cutler, Carl Haymond, Mrs. Maude Pinney, Mrs. A. B. Jones, Mrs. A. H. Guthrie and Mrs. Walter Snyder of the Canteen.

Reports were heard from Mrs. Caroline Snyder of the Canteen; Mrs. Frank Cutler, home service; Mrs. Philip L. Boyd, hospital and recreation; Mrs. K. Ostrander, production; Mrs. Vera Nicholson, staff assistants; Gordon Feekings, camp and hospital; Mrs. Marjorie Walker, motor corps; Charles Henderson, financial.

Newly elected directors will meet next Wednesday to elect a chairman for the coming year and to appoint committee chairmen.

It was announced at the meeting that Nurse's Aides were needed and that a class had been started at Torney Hospital but more volunteers were sought. Mrs. Mariadna Borden is chairman of this work.

A new department will be added by the local branch and a Blood Bank chairman will be named whose duties it will be to enlist blood donors here and see that they get to Riverside to make their donations. It was also decided to appoint a chairman for an Arts and Skills committee to aid patients at the hospital.

Headquarters of the local branch are now open five days a week from 10 a. m. to 4 p. m.

been a member of the board for the past 12 years. Other members of the board include Robert E. Dillon of Beaumont, Floyd Gilmore of Hemet and Ed Hill of Riverside.

For Essential Transportation—Yellow Cabs. Phone 4444.

Election . . .

Houser and Dilworth were given majorities.

On the controversial measures, the Village favored No. 9, the school measure, 555 to 454, opposed No. 11, 60 to 287 to 900 against and voted 858 to 338 in favor of No. 12, the right to work amendment.

COUNTY VOTE

In the county, Dewey received 21,263 votes to Roosevelt's 18,080; Houser, 21,894 votes to Downey's 15,504, and Dilworth, 21,876 votes to Dunbar's 14,284.

The county favored No. 9 by a slight margin but opposed both No. 11 and No. 12 by between 3,000 and 4,000 votes.

Every precinct in Palm Springs favored the GOP candidate except precinct two. Cathedral City was also pro-Roosevelt but by only two votes.

ODDITIES IN COUNTY

Several oddities developed in the count. In Precinct 6, four ballots had to be tossed out because the voters had stamped crosses opposite BOTH Dewey and Roosevelt.

In precinct 2, voters didn't like the names on the ballot and wrote in their choices.

Franklin D. Partridge was given one write-on vote for the state senate, Culver Nichols got a vote for congressman, Rueben Miller one for assemblyman and William Whotfield one for the assembly.

LONG COUNT

Election officials at Precinct 4 were the first in, Precinct 1 and 8, consolidated, the largest in town, the last.

On the whole, the count was speedy here despite the lengthy ballot and the large number voting.

Arthur E. Bailey, chairman of the Republican committee, now in Pasadena, via long distance, expressed his appreciation for the work done for the Dewey-Bricker ticket by loyal Villagers.

"The results show the value of organization," he said.

Mr. Bailey had to go to a hospital soon after the campaign opened but under direction of Clarence Wolff, the work went on unabated.

Mr. Bailey was especially appreciative of the work done by the local Democrats for Dewey committee, headed by Armand Turonnet.

Hit And Run Driver Injures Local Child

Police of Palm Springs and other southland cities were still seeking the driver of a hit and run car which struck a little 6-year-old Village girl Wednesday evening on Palm Canyon drive and sped on.

The child received only minor injuries. Her name was not released by police.

How Palm Springs Voted

Precincts	1	2	3	4	5	6	7	Total	Cathedral City	District Total

No. 11—\$60 at 60	337	993
No. 12—Right to Work	944	395

Ask Kay Francis—she knows!

"THE U.S.O. Camp Shows help to bring a touch of America to the boys away from home. Unless you've been where our men are fighting you can't imagine how much good these shows do for the men who are fighting for us," says Kay Francis.

What you give to your local Community War Fund for the National War Fund campaign is the sole support of the U.S.O. and other worthy causes. We can't let them down now. Won't you make your contribution this year a big one?

Brother of Local Man Wounded in Action in Belgium

Lt. Ray Samson, brother of Herbert Samson, well known local insurance broker and realtor, has been wounded in action in France, according to word to the Villager this week.

Lt. Samson is with the Queen's Own Cameron Highlanders of Canada and has been fighting in Belgium.

According to word received by the local Samson, a bullet perforated his brother's right ear. Had it been a half inch to the left, it would have been fatal, a half inch to the right, Lt. Samson would not be hospitalized now.

When pork sausage is to be preserved by quickfreezing, omit the salt but add the other seasonings like peppers, sage or mace.

CPO Milton Hicks On Seven-Day Stay In Palm Springs

CPO Milton Hicks, overseas with the Seabees in the thick of things for many months who returned to the mainland and to San Leandro naval hospital two weeks ago, is in the Village to visit his brother, Harold J. Hicks, and Mrs. Hicks, and to renew old friendships.

CPO Hicks has been transferred to the naval hospital at San Diego and is in town on a seven-day leave.

Oil silk umbrellas can be washed with mild soap and water. In cold weather they should be handled with care because they stiffen and crack easily.

For Essential Transportation—U-Drive Cars. Phone 4444.

Close Voting On Propositions Shown In County

A spectacular feature of the voting in Riverside county on the 12 propositions which appeared on the ballot, was the neck-and-neck race on the twelfth, the so-called "right to work" proposition. The "yes" votes totaled 15,009, while the "No" vote was 15,012, according to unofficial returns in the office of County Clerk Gordon A. Pequegnat.

A two to one defeat on the "\$60 at 60 pension" plan was given in this county, with a vote of 24,394 against and 12,210 for proposition No. 11.

Close voting marked No. 9, concerning elementary school funds, with 16,849 for and 15,447 against.

Riverside county went in favor of the exemption of religious and charity organizations from taxation, by a vote of 18,304 to 13,874 on No. 4.

The total votes on the propositions were as follows:

	Yes	No
No. 1	27,928	3,817
No. 2	26,205	6,911
No. 3	14,766	11,062
No. 4	18,304	13,874
No. 5	25,672	5,150
No. 6	10,138	17,683
No. 7	15,072	13,163
No. 8	9,191	18,685
No. 9	16,849	15,447
No. 10	14,406	13,760
No. 11	12,210	24,394
No. 12	15,009	15,012

Village Resident Sentenced to Jail

Betty S. Bematti, 27, resident on the reservation here, was sentenced to serve four months in the county jail on a morals charge when she appeared before Commissioner Alva D. McGuire on Riverside Wednesday.

She was arrested here some time ago by local police.

Quarter Inch Rain Falls In Village

In a storm which was general throughout the southland and which pelted the Los Angeles area with hail as well as rain and was featured by a thunderstorm there, Palm Springs picked up .26 of an inch of rain over the weekend.

Total for the season to date is .32 of an inch. Last year at this time the seasonal total was 1.75 inches.

7 Permits Issued During Week With Value of \$5,710

Seven building permits valued at \$5,710 were issued during the past week by Arthur F. Wright, building inspector, bringing the total for November to 8 permits for \$6,210 worth of construction. For 1944 to date, 262 permits have been issued with a value of \$140,115.50.

Permits issued this week were:
November 3—
Mrs. Homer McKee, 1011 El Alameda, remodel, R. S. Pinckard, contractor, \$1,000.

November 6—
Louis Gaudiello, 726 North Indian avenue, apartment garage, \$500.

Mrs. L. A. Gray, 1581 Chaparral road, dwelling, \$3,000.

Patrick O'Connor, Palm Springs Trailer Park, shelter for trailer, \$200.

November 8—
Albert Frey, 896 North Palm Canyon drive, re-roof, Perry Sanders, contractor, \$75.

G. S. McIntyre, 403 Via Colusa, re-roof, Perry Sanders, contractor, \$125.

Mrs. Jane Manchester, 1032 North Palm Canyon drive, interior alterations on Doll House, R. S. Pinckard, contractor, \$800.

Convention, With 500 Delegates, Asks for Accommodations

The Chamber of Commerce has received inquiries from the California Osteopathic association concerning possibilities of the organization holding its 1945 convention, May 16 to 19, in Palm Springs.

Accommodations for 500 delegates will be needed.

Walter Kofeldt of the Chamber, who met Thomas C. Schumacher, secretary of the association while attending the recent Western Institute for Commercial Secretaries at Eugene, Ore., and extolled the virtues of the Village as a convention center, was making a survey today believing that such a convention, in the waning season, could be handled here.

American cities named for geographic features such as height, natural scenery, vegetation, animal life or industries number 154.

Even From Far-Off New Guinea — They Trade In Village

Even in far-off New Guinea they like to trade in Palm Springs.

O. M. Ward of Ward's Photograph shop, this week received an order for a dozen photographs from Lt. James F. Hudson, now in the South Pacific. Lt. Hudson, formerly stationed on the desert, asked Mr. Ward to prepare the prints as Christmas gifts and sent addresses of his friends to whom they are to go. Mr. Ward will also insert the accompanying Christmas cards.

The bill goes to the South Pacific.

Dr. Fred Souleles Addresses Lions On Seeing Eye Dog

Dr. Fred Souleles of Beaumont, who six years ago was the recipient of a Seeing Eye dog presented by the Palm Springs Lions club which has for one of its chief objectives, aid to the blind, addressed the club members on "My Dog, Vera" at their luncheon yesterday noon at the Desert Inn.

Dr. Souleles told of the great help Vera had given him both in completing his schooling and now. Vera, now nine years old, is about to be retired "to pasture" as Dr. Souleles has a new and younger dog. Vera is now living a "dog's life" making up for lost time running free.

Lloyd Simon, who for the past few years has been head of the Blind Fund committee for the club, was program chairman for the day. Frank Doro is the new chairman of the Blind Fund committee and a plea was sounded to Lions and Villagers not to forget the milk bottles scattered about town which are receptacles for spare pennies to aid the fund.

President Charles Burket presided at the meeting.

Lester Smith, Armand Turonnet and Bob Wilson were inducted into the club as new members.

\$3,419.27 Coming To City As Share In Licenses Here

Palm Springs will receive \$3,419.27 from the state as its share of liquor licenses collected during the first six months of 1944, William G. Bonelli, fourth district member of the state board of equalization announced this week.

Total disbursed to cities and counties by the state was \$2,311,923.87, representing half of the license fees collected by the state. Distribution, based on the number of licenses, the second city in the county. The county, as a whole, was allocated \$24,399.06 of which \$6,217.50 went to Riverside city and \$5,539.96 to unincorporated areas.

Palm Springs' share, \$3,419.27, was second; Indio was third with \$2,581.87 and Beaumont, the "driest" city, with an allotment of \$338.75.

Library Seeking Book Collection On Desert Topics

Have you any books about the desert?

At this week's meeting of the library board it was decided to build up a Desert Collection and any Villager having books on this subject will find a warm welcome if he wishes to place them on the shelves of the Wood Murray Memorial Library, Miss Dorothy Bear, librarian said.

She reported the recent donation by Spencer Kellogg of a book of his verse: "Out of the Deep" and a set of books on religion by Dr. J. R. Macartney, pastor of Community church.

There seems to be some question as to where Hitler is—but there's no question at all as to where he is going.

Owen B. Coffman Post Given \$100 For War Memorial

Reports submitted at Tuesday night's meeting of the Owen B. Coffman post of the American Legion revealed that the new Employment Officer of the Post had already found jobs for 18 returning veterans and was functioning at high speed. Charles St. George, adjutant, was recently appointed to the position of Employment Officer.

It was also announced that the Los Compadres club had donated \$100 to the post for its proposed War Memorial, the results of the recent Western Week, staged here.

The meeting was held at the Fiesta House on the Desert Inn grounds and was one of the largest in the Post's history.

Already having more than doubled its quota, the Post is now well on its way toward trebling the membership allotted it, it was reported.

Commander Gordon Feeking presided at the session.

Announce Subjects For Next Programs At Desert Museum

Programs at the Desert Museum for tomorrow night and next Wednesday night at 7 o'clock were announced today by Prof. T. D. A. Cockerell.

Tomorrow night's program: "Plants that can be cultivated in the desert", talk by Prof. Cockerell.

"Date Culture", motion picture by Al Taylor.

"Plant Immigrants", motion picture by U. S. Department of Agriculture.

Exhibit of named plants cultivated in the desert.

Wednesday night's program: Subject, The Desert.

"Flight to the Desert", motion picture by Winfield Line.

"Our Palm Springs Garden," motion picture by Winfield Line.

"What the Desert Has Meant to Me," talk by Dr. Grace Line.

Police Sergeant At U.S.C. Meeting

Police Sergeant O. O. Johnson, recently appointed juvenile officer for Palm Springs, was in Los Angeles today attending a clinic on juvenile problems which started yesterday at the University of Southern California.

Sgt. Johnson was recently appointed juvenile officer for the Village area.

Moving Days For Village Post Office

This weekend will be moving day for the Palm Springs post office. Dates for the move were chosen because of the holiday tomorrow followed by Sunday.

Postmaster R. M. Gorham said the move would be made with the least inconvenience to the public.

Designation of Fort Douglas, Utah, as one of the Ninth Service Command personnel centers—to process personnel inducted into the Army or released from active duty—has been made by the War Department.

Open Sundays

This Sort of Talk Is What Makes It A Nice Job of Work

This is what helps the job roll smoothly.

From C. Allec, Jr., formerly of the Desert Fuel here and now in Anaheim, comes a letter:

"Since I cannot enjoy the Village for the present, at least I can keep in touch with it. Enclosed is check for a two-year subscription."

S. Greenfield of Chicago, said it in person. His family is here for the winter and he makes frequent trips to the desert to see them.

"I want the Sun sent to me in Chicago," he said. "It brings the desert to me there. The day it arrives the Chicago papers are neglected until I finish it."

Dr. B. B. Weatherall Talks On Youth At Rotary Gathering

Dr. Henry S. Reid was back in the president's chair at Wednesday's meeting of the Palm Springs Rotary club at the Desert Inn after a summer spent at Estes Park, Colo. He declared that he was glad to be back and complimented the club for its splendid showing during his absence. Fred Ingram, vice-president, had conducted the affairs of the club.

Carl G. Lykken was program chairman for the day and introduced Dr. B. B. Weatherall who talked on Youth Problems.

Dr. Weatherall's paper held the close interest of the Rotarians as he has been a resident of the Village for many years and closely acquainted with all of its problems.

William A. Lippman conducted the spirited singing during the meeting. Mrs. Lois Lux accompanied the club members.

Jimmy Campbell, well known Villager hove into town early Tuesday, just in time to vote before settling down for the season. During the summer he visited relatives in New Jersey, spent some time at Fessenden, North Dakota, visiting his fiancée, Selma Meland, and stopped off a few days at San Francisco on the way home.

Yellow cornmeal or powdered orris root sprinkled into the scalp will remove excess oil and is an excellent dry shampoo.

Capt. Shaskan of Torney Addresses Nurse of County

Captain Donald Shaskan, psychiatrist at Torney General hospital, addressed last Friday's meeting of Riverside county health department and staff meeting of county nurses at the court house, on problems of the returning soldiers.

Educators and Red Cross workers were also present at the meeting.

In the afternoon he discussed individual cases with county nurses at a round table discussion.

Mrs. Madge Holderman, public health nurse for Palm Springs, attended the meeting.

Colonial House Fire Does \$200 Damage

Fire in the walls of the kitchen at the Colonial House yesterday afternoon did damage estimated at \$200.

Firemen, responding to the call, had to rip off plaster from the wall to get at the fire.

General Manager Carl Haymond of KMO, Spokane radio station, and Mrs. Haymond, prominent winter residents, have returned to the Village for the season.

Lai Chand Mehra Next Speaker On Forum Series Here

Lai Chand Mehra, native of India and graduate of the University of California, is to be the third speaker in the current series of free public forum meetings being held every other Thursday evening in the Frances Stevens School auditorium. Mr. Mehra's topic for the meeting next Thursday is "Meeting of the East and the West."

Despite Rudyard Kipling's statement to the effect that the East and the West would never meet, Lai Chand Mehra develops an interesting theme on the possibility of the two cultures meeting in the near future.

ACCLAIMED BY THROG

So says Principal E. E. Oertel, director of the public forum meetings, who has heard Mr. Mehra talk on the subject recently.

Mr. Mehra has been acclaimed by large audiences in the Los Angeles area this season for his talks on "India and the Battle of Asia", and "The Parade of Nations." In the latter lecture, the Indian lecturer discusses the manners, customs and dialects of many nations of the world. He illustrates the dialects of such nations as Spain, France, Germany, Italy, Russia, England, Scotland, Ireland, Arabia, India, China and Japan.

During the 1943-44 season, Mr. Mehra was presented to 56 different public forum groups, and he took part in 42 network radio shows as a character actor. He is technical adviser for some of the major motion picture studios pertaining to the Orient.

DEVOTED TO FUTURE

The four lectures in the first series of forum meetings are devoted to the theme "America Looks Ahead."

Following Mr. Mehra's program there will be a round-table on November 30, participated in by Dr. W. Ballentine Henley, Dr. Francis J. Bowman and Dr. Oliver Carlson.

"Handwriting On Wall" Topic At Episcopal Church

"The Handwriting on the Wall" will be the topic of the Rev. Robert M. Hogarth, vicar of St. Paul's in the Desert, Episcopal church, next Sunday morning at the 11 a. m. service.

"This is a most timely subject for this Armistice Day Sunday," he said. "Belshazzar, king of Babylon, learned the meaning of the warning words written on his palace wall, as interpreted by Daniel, Prophet of God. But it was too late to save him. It had been too late for Belshazzar's father, Nebuchadnezzar, when the same Daniel interpreted his warning dreams."

"So history repeats itself and Almighty God writes a plain hand, 'Lest We Forget'."

Rev. Hogarth will lead in intercessions on the Churchwide Day of Prayer Armistice Day, tomorrow, at 10 a. m. and celebrate Holy Communion at St. Paul's. The church will be open, as always, both day and night, for private prayer.

"This day of prayer calls all Christians to their knees, if they sincerely desire the continuance of the church's spiritual ministry and the honor, integrity and security of nation and people," he said. "Let us pray, then, on Saturday, Armistice Day."

Legion Auxiliary Sponsors Group of Girls For Dance

A group of young women in the Village are anticipating an enjoyable evening of dancing and entertainment Wednesday, November 15, from 8:00 p. m. to 11:30 p. m. as guests of the Special Service Branch and enlisted personnel of the 21st Ferrying Group at the local army air field. Owen Coffman Unit No. 519, American Legion Auxiliary, will sponsor the group and assist Lt. Joe L. Brown, Special Service Officer, with this dance and others to be given at frequent intervals and during the holidays at the Post gymnasium.

PLANS MAPPED

Members of the organization will contact the girls each time and a committee of Auxiliary ladies will accompany them to the dances. Transportation will be furnished by the air field. Local girls desiring to join the party are invited to telephone Mrs. George J. Shultz, 5383, any evening after 5:00 p. m., for details regarding the meeting place.

At the regular meeting of Owen Coffman Unit held Tuesday evening in the Red Cross rooms, Mrs. John Holditch, president, appointed Mrs. Shultz, Mrs. Charles St. George and Mrs. Jay Morrison as the committee for the first dance.

During the business session the president appointed the following committee to draw up the Unit Constitution and By-Laws: Mrs. Joseph Omlin, Mrs. Henry Menard, Mrs. Harold N. Lienau and Mrs. St. George. Mrs. Charles V. Knupp, first vice-president, was named membership chairman.

TO ADOPT VETERAN

A non-compensated hospitalized World War veteran will be adopted by the Unit, and it is hoped that he will be cheered by the cards and gifts which will be sent to him from time to time.

Members are enthusiastic in their plans for the organizations' Christmas work among the veterans, servicemen and women.

USO Leaders Meet In Regional Rally

Regional supervisors and 120 staff members of the USO today concluded a three-day discussion meeting at Idyllwild. They came from California, Nevada, Arizona, New Mexico and Texas.

Dr. Harry D. Edgran, who came from New York for the session, was the principal speaker.

New Gray Ladies Course to Start Soon, Reported

Mrs. Philip L. Boyd, chairman of the Hospital and Recreation Corps service for the Palm Springs branch of the Red Cross, announced today that another Gray Ladies group is planned in the Village.

Applicants for Gray Ladies training are being considered this week, she said. A course for hospital and recreation corps service at Torney General Hospital is planned for the very near future.

Local women between the ages of 21 and 50 interested in this activity, are advised to fill out application blanks at the Red Cross headquarters, 107 North Palm Canyon drive, before November 18.

When baseball passes out, the greatest batter of all come in—that for pancakes on the cold mornings

Village Resident For Past 7 Years Is Taken By Death

Last rites for Mrs. Emma Fletcher were said in Banning at Weifels and Sons chapel Tuesday at 2 p. m. Mrs. Fletcher passed away at Arlington hospital Sunday. She had been a resident of Palm Springs for seven years and lately had been employed at Torney General Hospital.

She leaves to mourn her loss, her daughter, Ruby; mother, Mrs. Frona Gill; four sisters, Mrs. Ruby Hungerford of White Horse, Canada; Alice Johnson of Pomona; Kathryn Felts of Oklahoma City and Margaret Combs of Cushing, Okla.; two brothers, Earl Hornaday of Banning and William Gill of Palm Springs.

Her husband, J. P. Fletcher, preceded her in death May 30, 1943.

Mrs. Kathryn Felts of Oklahoma City and Mrs. Margaret Combs of Cushing, Okla., are visiting at the home of their mother, Mrs. Frona Gill, 300 Andreas road.

Laundry Operating At Full Capacity, Plan Remodelling

The Desert Hand Laundry is operating at full capacity, Louis Anderson, manager, said this week.

Since the blast of the hot water heater a few weeks ago, Mr. Anderson said, some persons had the impression service had been interrupted.

It wasn't interrupted then, and hasn't been since, he said, and the laundry is accepting business from any and all.

Harry Williams, local architect, has completed plans for a complete remodeling job and bids for the construction will probably be asked this week.

Mr. and Mrs. Casey Pearson are guests of Paul Grimm, famous local artist. Mr. Pearson is connected with the state board of equalization.

Villager, Overseas Will See New Son When He Returns

Sgt. Edward M. Hawkins of Palm Springs, is now overseas and will have the additional pleasure of greeting another member of his family whom he has not yet seen.

Sgt. Hawkins left for overseas a few weeks ago.

On October 29 there was born to his wife, Eva Tuttle Hawkins, a son at Torney General Hospital.

The boy has been named Frederick Alfred Hawkins II after his paternal grandfather.

TORNEY GENERAL HOSPITAL EVENTS

News of the Enlisted Men of the Medical and Quartermaster Detachments at Torney Army General Hospital, Palm Springs (Pfc. Ted W. Engstrom)

GI GIRLS TO PRESENT REVUE

A real entertainment treat is in store for Torney patients and personnel when Harold Turney of the Los Angeles City College Department of Drama brings the second edition of Hollywood's GI Girls' revue to the hospital Saturday night, November 11.

The company will include a line of beautiful chorus girls, singers, comedienne, dancers and choice bits from famous plays presented by talented performers. The show, to be staged at the Post Theatre, will begin at 1900.

WARD B-1 ADOPTED

Ward B-1 has been "officially adopted" by the Indio, California, chapter of the Veterans of Foreign Wars Auxiliary. The ladies of this organization have taken the patients of this ward "under their wing" and plan to bring the lucky lads food, candy, dates, cigarettes, cookies and other edibles from time to time. The group will also help in the observance and celebration of the special holiday seasons.

The Indio VFW Auxiliary, under the chairmanship of Mrs. R. Sprengles, also plans to help with the furnishing of a sun-room in the B Building.

COMES INTO ITS OWN

Reconditioning has cut its wisdom teeth and has come into its own as prescribed medical care in army hospitals both here and

overseas. It has taken its place with penicillin, sulfa drugs, and other discoveries and advancements in this present war, and Torney General Hospital can boast of being one of the leaders in this particular field.

The Reconditioning Division was officially established in August, 1943, in the Surgeon General's office. Within the Division, branches covering Educational Reconditioning, Physical Reconditioning and Occupational Therapy were established and have been developed to a high order at this installation.

Physical Reconditioning is a program of carefully selected and directed calisthenics, conducted both in the wards and in the gymnasium, swimming, games, etc., under the supervision of trained physical instructors designed to bring the injured or sick soldier back to top physical condition as rapidly as possible. The physical reconditioning begins while the soldier is still a bed patient, with exercises especially planned to prevent a generalized wasting of muscles and strength during his stay in bed and is continued through his final convalescence at Torney's Mill Creek Convalescent Camp.

Educational Reconditioning is designed to be of interest and help to the patient and to prevent mental stagnation. It aids in the soldier's orientation endeavoring to help him to understand why he fights and what he fights for. It is of utmost importance that a man injured in combat or training understand these things. Educational Reconditioning also provides him with facilities to continue his education or to engage in the pursuit of some line of study particularly appealing to him. Many classes in news orientation, language studies, music appreciation, art, etc., are conducted in his interest.

NEW GLEE CLUB

Torney's "men's" Glee Club is no more; it is now the Torney Chorus. The stout-hearted men finally broke down and decided to admit the feminine sex into its midst, making the ladies very happy, of course. Even the fellows sheepishly admit that they think it's a good idea.

The newly organized chorus meets every Monday and Friday evenings in the Music Room, Building 74, for rehearsal and plans are being laid for several public programs. The group is being directed by Mrs. Holly Lash Visel of Palm Springs.

RECEIVES PUBLICITY

The October issue of The Digest, official publication of the Army Information Branch, Educational Reconditioning Division, ASF, has featured Torney's Educational Reconditioning program in a special display write-up. The illustrated article outlines the orientation work being done with and for patients at this installation. Those interested may secure a copy of this publication at the Post Library.

DEPARTMENT ENLARGED

Three new civilian workers have been added to the Occupational Therapy staff here, all of whom recently attended the Army Occupational Therapy Course at the University of Southern California. The three new members of the staff are Misses Reva Counts, Margaret Madden and Jessie Arney.

Miss Rose Cezar, director of the department, is at present attending a national OT convention in New York City. Miss Ila Johnson, assistant, has just returned from Los Angeles where she made inquiry concerning the acquisition of power tools to be used in the proposed machine shop.

Villagers, Now In Service, Meet At Washington Dinner

Peter B. Sheptenko, well known Palm Springs realty broker, now in the army, now at Fort Meade, Maryland, is awaiting new assignment, after an eventful trip by air from the Village east.

He left here a week ago Monday and reached Washington, D. C., the next day. The local realty man boarded the plane at the local field and found a fellow Villager, Harry Hanbury, already a passenger. Naturally, Palm Springs was the topic of conversation between the Village and Fort Worth where Mr. Hanbury alighted.

In Washington, Tuesday night, Mr. Sheptenko, Comdr. Earl Gibbs, well known Villager, now stationed with the navy in the capital, and Lt. Harris Posey, also in the navy, former manager of Bullocks, Palm Springs, met at dinner at the Statler.

Wednesday the Villager visited Ralph W. S. Hill at the state department. Mr. Hill recently purchased a home near the Palm Springs Tennis club.

Thursday, he reported to Fort Meade.

Riverside Writer Patient At Torney

First Lt. Wilbur W. Fogleman, sports editor of the Riverside Press, is now a patient at Torney General Hospital.

Lt. Fogleman was wounded in action on July 4 in France after almost a month on front line duty. He went ashore on D-Day.

George Herz Co. Awarded Contract To Reduce Hazard

The George A. Herz company of San Bernardino has been awarded the contract to regrade and resurface the danger spot at Windy Point, two and one half miles north of the city limits, at a cost of \$6,270.

Bids were opened on the project October 3 by the department of public works.

Length of the repair job was announced as two-tenths of a mile.

John Ward Wins In Pomona Tourney

Mr. and Mrs. O. M. Ward had something to talk about today.

Son John, now at Pomona college, and his partner walked away with the doubles tournament at the Claremont college, they were informed this week.

Herbert Samson Is On Look-Out For Missing White Horse—It's A Statue Which Thieves Stole From His Auto

Herbert Samson, insurance broker and realtor, is looking for a white horse. And he doesn't mean that well known brand from Scotland.

Sunday night thieves raided Samson's automobile, stealing a spare wheel and a box of tools as well as a statue of a horse, the work of Lawrence Tenney Stevens, well known sculptor who formerly resided here.

THE WORST PART

That's the worst part of the theft for Samson had just prepared the statue for dispatching it to Stevens who is in New England.

When the sculptor closed his studio here to go overseas in the war effort, he left the statue with Samson for safe keeping. On his return he was invited to enter a competition in New England which involved an equestrian figure.

The statue he had left with Samson was that of an Arabian stallion which he had studied at the Kellogg stables near Pomona. Figuring this would be just the model for the New England competition he asked Samson to send it to him.

ASKS HELP

Samson placed it in his car preparatory to having it packed for shipment—and that was the night the thieves raided his car.

"I figure the thieves won't appreciate art and will throw the statue away and keep the spare wheel and tools. So if any Villager finds that statue, please take it to the police department or bring it to me. Sculptor Stevens is in need of it," he said.

Cathedral City

By W. R. HILLERY

It's a good thing that those of us who lose in an election do not have such strong convictions that we want to start a revolution. We just eat "crow" in silence. For the actual returns as to how Cathedral City voted will you turn to Phat's tabulations elsewhere in The Desert Sun. What we as a community really want to crow about is that for the first time in our history we had so many registered voters. The list showed 192. I predicted last week that because of removals, deaths and errors and the sure percentage of those who fail to vote that we would tally 150. When our election board composed of C. M. Gepfert, inspector, Alpha May Larison and W. R. Hillery, judges and Marie Ide, Ila M. Page and Jas. K. Wolseth, clerks, shivered around the records on Tuesday morning we made our usual guesses as to the number who would vote. C. M. Gepfert's guess of 160 was the nearest and the highest. Actually there were 164 who came in to vote plus 6 absentees and plus at least one from the military. The total, 174.

Every property owner of Cathedral City should be a member of our local chamber of commerce. (Marie Ide is the secretary and will be glad to take your annual dues of \$5.00 and you can contact her at the Town Hall between 2 and 4 p. m. each Tuesday and Friday). Also look elsewhere in The Sun for account of matters that have to do with flood control and limited access "zip" highway that will greatly effect the future of our village and your investment in it. It looks more

than ever as though the time is near to make a concerted effort for our area to be excluded from the Coachella Valley County Water District into which we are paying taxes that I estimate to be \$1,500 per year. What are we getting for it? I would rather the county handled our problems and that if a local zone composed of the Palm Springs area be created we be included in it.

A recent moronic act by some person brings to light another problem that should be pressed for solution. Someone poured shellac into the gasoline tank of our little LaFrance fire truck and it is taking a lot of work on the part of Evan Tarr to clean it out. It is also taking a lot of solvents. So until it is in condition to fight fire again please be careful where you leave your lighted cigarettes and be careful about all the other hazards that fire causes.

We surely have enough resident property owners to sign proper petitions for the formation of both a fire district and also a sanitary district.

In the past week my partner and I sold quite a bit of real estate, all unimproved, as follows: Catherine Grove to Col. Charles J. Perry, acre residence lot; Cathrine Grove to Mae E. Johnson and Helen M. Hill, highway business lot; Cathedral City Development Co. to Helen M. Hill and Mae E. Johnson, acre dwelling site; same Company to Mae E. Johnson, acre residence lot; same company to Lewis Duncan, dwelling lot; Frances Campbell to Peer Holding Corp., a half acre residence lot; Floyd Kazmier to C. W. Larison, highway business lot and Robert Hillery to Walter C. Cornman, residential lot. The total consideration of these transactions came pretty close to \$10,000. I also understand that Ann Duncan sold her property to L. Graef of Aptos, California. The Graefs expect to occupy their new holdings.

As time goes on we will tell you more about these new comers and what they do in our community. By way of preliminary we will remind you that Mrs. Mae E. Johnson and Miss Helen M. Hill are the operators of the Peter Pan Bakery in Palm Springs. Two mighty fine ladies who have been in business there for years and have spent at least one season residing in Cathedral City. They are progressive, so watch for developments.

Here are some Cathedral City shorts but not the kind that every daughter of Eve wants to wear. Chet Mero became seriously ill last week and Doctor Leon M. Wilbor looked him over and said "appendix—hospital" and Helen took her husband to Loma Linda

THESE PEOPLE Are Donating Their Shares!

Events at the Field Club have not only made Palm Springs history but they have made America's foremost Desert Resort internationally famous.

The Field Club has always been used by and for the people. So that all of the people may continue to enjoy the Field Club and may look forward to reviving the spirit of the old Palm Springs, the following citizens have agreed to donate their stock to the city, should it decide to purchase the property:

Melba Bennett (Deep Well Ranch).	Cecil Isenagle.
John R. E. Chaffey.	H. E. Patterson.
Julia S. Carnell Estate.	Warren B. Pinney.
Judge Ralph Clock Estate.	Carl G. Lykken.
Mrs. Nellie Coffman.	Dr. Henry S. Reid.
Earl Coffman.	George Roberson.
Francis Crocker.	Robert Ransom.
Desmonds (Ralph Huesman).	Ted Stein.
Harold J. Hicks.	Herbert Samson.
Milton A. Hicks.	Al Wertheimer.
A. F. Hicks Estate.	

Vote "YES" To Buy The Field Club Tuesday, November 14th

Polls Open from 10:00 A. M. to 7:00 P. M.

(Villagers registered in precincts 1, 6, 7 or 8 will vote at the Palm Springs Builders' Supply, Consolidated City Precinct "A". Villagers registered in precincts 2, 3, 4 or 5, will vote at Frances S. Stevens school, Consolidated City Precinct "B".)

Prominent Couple Now Honeymooning At Desert Inn; Famed Hostelry Greets Many Regular Guests, Here For Season

Mr. and Mrs. George Gallowhur (Nackey E. Scripps) arrived here early this week in their own plane to spend the first four days of their honeymoon at Desert Inn. The young couple were wed in Las Vegas, and continued directly here. Mrs. Gallowhur is the daughter of the late Robert P. Scripps of the famous publishing firm, Scripps-Howard. She is in her senior year at Scripps College, in Claremont.

The bridegroom is president of the Gallowhur Chemical company in New York. They plan on touring to Mexico, D. F., on a combined business and pleasure trip.

BACK AT THE INN

Returning to the Desert Inn for their yearly so-journ are Mr. and Mrs. John F. Sweeney, who journey west each season from their home in Cleveland for a stay of indefinite length. On their two extended visits here last season they were accompanied by their attractive brunette daughter, Miss Scribner Sweeney. However, this fall Miss Sweeney is remaining in Chicago where she holds an executive position with one of the large stores of that city.

Mr. and Mrs. Fred Allen (both of radio fame) passed over a week resting and relaxing at the Inn. The popular and charming couple won many new friends during their visit, as they were just as well received in person as they are on the air.

FROM SCREEN GROUP

Representing the screen group are Mr. and Mrs. Paul Kelly, whose reserve and dignity made them attractive additions, too.

Mr. and Mrs. Paul Schambach from the Clark hotel, Los Angeles, checked in for the remainder of the season at the Desert Inn.

Among other registered this week are: Mrs. H. B. Heyn and her son, who are down from Pasadena for a vacation until Mid-November; Mr. and Mrs. Joseph J. Redington, of Villa Riviera, Long Beach, will be desert visitors for two weeks; Mrs. J. Ann Schaad and Gary will enjoy the sunshine until the middle of the month; Dr. and Mrs. Arthur Schneidman, of Los Angeles, will stay until election day.

Others checking in for shorter periods include: Mr. and Mrs. S. P. Newport, Los Angeles; Mr. and Mrs. J. Bogardus, Altadena; Mr. and Mrs. Charles G. Colby, Los Angeles; Mr. and Mrs. R. Moran, Los Angeles; Mr. and Mrs. Howard King, Glendale; Mr. and Mrs. G. A. Brown, Los Angeles; Mrs. E. C. Norman, of Arlington, Va., with Mrs. George B. McReynolds, Los Angeles; Mr. and Mrs. T. M. Price, Oakland; Mr. and Mrs. A. B. Weil, Beverly Hills; Richard Ettinger, Town House, Los Angeles; Mr. and Mrs. H. W. Miller, Los Angeles.

Mrs. Brown Guest Of Honor at Two Hollywood Affairs

Mrs. Jacqueline Ames entertained in honor of Mrs. Ona Brown of Palm Springs with two delightful affairs last week. First she was hostess at a luncheon at the Turf club at Hollywood for Mrs. Brown and later at dinner at Ciro's.

Mrs. Brown returned to the Village last weekend. Sunday night, with Miss Carla Conti, she was guest of Mrs. Anita Haskell Jones at a dinner at the Escadrille.

Saturday night Mrs. Brown was hostess at a dinner at the Escadrille for Mr. and Mrs. Frank Davies, Mr. and Mrs. William Malouf and Mr. and Mrs. Tommy Malouf.

Escadrille Plays Host to Notables From Film World

The Escadrille, the city's newest cafe, operated by Frank and Allis Murray on West Amada, has been playing host to many famous visitors as well as Villagers.

Mr. Murray was host to John Payne, the actor, and Gloria de Haven last weekend. He has known the actor for years and the latter has been a frequent visitor to the Escadrille.

Saturday night Grover Inskeep, here in the interests of a new city directory, was host to Mr. and Mrs. Paul Sutton at the cafe.

Salvation Army Red Shield Mobile Canteens were on continuous duty during the Robot bomb peril. The Canteens were also used as ambulances. One report said, "Arrived five minutes after bomb fell. Filled van with lying and sitting injured. Rushed to Hospital. Repeated this three times." The oldest person was over 90. He had just left his 93 year old wife in the hospital.

DINNER PARTY—Local members of the Telephone company staff and visiting company dignitaries and friends of Margaret Needham gather at the Waikiki at a dinner in her honor after serving 13 years with the company. (Frank Partridge Photo)

Desert Author And Secretary Guests Of Winfield Lines

Steven A. Ragsdale and his secretary, M. R. Lawrence, were the guests of Mr. and Mrs. Winfield H. Line of 571 Indian Trail, last week. Desert Steve, as many who have read his books and articles know him, is one of the pioneers of the West.

He told a group of Sierra Club members gathered at the Lines in his honor, that the last time he slept in Palm Springs was more than 35 years ago when he was driving a horse and buggy from Redlands to Yuma, Arizona, to homestead land. At that time he was given shelter by Dr. and Mrs. Welwood Murray, the only white people living in Palm Springs. While here last week he sought the final resting place of Dr. Murray to pay homage to the remembrance of those kindly souls who were among the pioneers of Palm Springs.

Desert Steve is an author and a town-builder. He built and owns the community known as Desert Center, and owns the top of Santa Rosa mountain where he has a writing lodge. Himself a man-hunter for 30 years, Desert Steve spoke of his old friend, Lyle J. Sanard, Chief of Police in Palm Springs, as one of the most fearless law officers of the West.

Lions And Ladies To Dance Monday For Charity Sake

Lions and their ladies will dance next Monday night at the Colonial House in the first social event of the new season for the club. The dance will be a benefit for the War Activities Fund of the club. Gordon Feeplings is chairman of the War Activities committee. Mr. Feeplings and Dr. E. E. Oertel, chairman of the program committee, are jointly in charge of the event.

An entertaining program is planned by the sponsors to accompany the dance.

Only one part of American Bogoslof island in Bering sea is permanent, the rest is in flux because the deep submarine volcano of Bogoslof has the habit of erupting at any time without warning.

Pay Telephone Bills before the 30th and receive your discount.

For Essential Transportation—Yellow Cabs. Phone 4444.

Margaret Needham Guest of Honor At Gay Dinner Party

Village friends, members of the California Water and Telephone company's local staff and officials of the company gathered at the Waikiki last Thursday night to honor Miss Margaret Needham, who on October 31 resigned her position with the company after 13 years in a responsible position in the local office.

Present to join in feting Miss Needham were Mr. and Mrs. E. R. Fisher, Mrs. Kenneth Fisher, Miss Leona Patie and Mr. and Mrs. Taft Abrams of Redlands. Mr. Fisher is the manager of the Redlands office, Miss Patie, cashier, and Mr. Abrams, service representative.

Lindsay Dudley, traffic manager, and Mrs. Charles Conover came from Monrovia to join in the gay party.

From Palm Springs, besides the honoree, were Mr. and Mrs. Bill Nash, Mr. and Mrs. Lee Allen, Mr. and Mrs. J. Grant Fry, Capt. and Mrs. John Koller, Lt. Schlager, Col. and Mrs. George Meeks, Mrs. Violet Knupp, Mrs. Nellie Goodale, Walter Z. Allen, Miles Vopatek, Mrs. Flora Whipple and Miss Sharon Morrison.

Congressman And Family Visitors In Palm Springs

Visitors in Palm Springs Monday were Congressman and Mrs. John Phillips, their son and daughter-in-law, Lt. and Mrs. Carl Phillips and daughter, Margaret. They came down from Banning for the day.

Congressman Phillips left for Washington the fore part of the week. Lt. and Mrs. Phillips remained at the Banning home of the congressman, returning this weekend to Arizona where the lieutenant is stationed at Luke Field, near Phoenix.

Home On The Range

Out at Rogers' Ranch, things started popping early last week end with festivities being set in motion by a group of 25 from Torney General Hospital laboratory who gathered for a chicken dinner and a ride.

Saturday Charlie and Dora Morrison took over the Corral Room, entertaining for the well known Charlie Burns and his most attractive wife, of the famous 11 Club, New York. (We missed Jack Kriendler, the former mayor of B-Bar-H). The party started with cocktails at the beautiful Morrison home, then a hay wagon ride to the Stables and a wonderful barbecued rib dinner. Talk about celebrities and grand people, the room was full of them. Eddie and Edwina Sutherland, the lovely Diana Powell with her charming Bill, Al and Margie Hall (and how he can tell stories), Michael Arlen, Eddie Goulding, Mrs. Irene Cohen, Mrs. Al Wertheimer, Trav Rogers, Dorothy Gray, Mrs. Janis Cauthorn, Marianna "Duchess" Borden.

The Sunday night dinner was like old home week, so many familiar faces, also many new ones who have promised to be back again for the next one. There was Mr. and Mrs. Harry Schnell of San Diego, Mrs. and Mrs. Young, also of San Diego, Mr. and Mrs. Kenny Paul, Mariadna Borden, Lt. and Mrs. Eddie Rohan, Mrs. Arthur Henry, Mr. Jess Digman of Portland, Henry Munholland and many others.

Just a reminder to those of you who were members of the Corral Room and had guest cards. If you have lost them, please call for new ones as no one will be admitted to the Thursday night barn dance without them. This dance you know is for members and their guests only. The Friday and Saturday night dances will be open to the public.

Initial Meeting Of Woman's Club Highly Interesting

BY MARTHA FORWARD

With a sense of profundity associated only with those great doctors who, through years of study, research and application, are qualified to diagnose and prescribe for biological needs, did Dr. W. Ballentine Henley give a diagnosis of world problems when he spoke before members of the Palm Springs Woman's Club and their guests on Monday afternoon. Miss Teresa Fields, program chairman, introduced Dr. Henley.

Choosing from some of his most carefully delineated "Blue Prints for Tomorrow", he erected in the minds of his audience, stable, and almost fabulous, structures to be fabricated in the material, economical and political world of tomorrow.

HAVE ONLY BEGUN

"This is a wonder-world in which we are living today and we have scratched only the surface," said Dr. Henley. "Many of the youngsters of today will be our scientists of tomorrow. There will be a miraculous development of plastics and synthetics. The doorway to a world of tomorrow is found in a test tube. Phenomenons that it takes nature thousands, even billions, of years to produce will be conquered in brief sessions at a test table.

"We have expanded in the basic sciences and we must keep pace with them. The whole field of bio-chemistry is an open door to the man who wants to learn. Even our religious life will be reduced to a myriad of techniques. This ideological, Utopian ear in a post-war world can be achieved only through a spiritual re-awakening and a biological understanding of the contrasts of life that make life worth while."

GET WHAT WE WANT

Commenting on the world conflict and its post-war conditions, Dr. Henley asserted, "We get out of life what we want. If we do everything in our power that leads up to war and do nothing about it, it is only inevitable that we will end up in war. "Historians will probably call the last twenty years the 'do-nothing' years—we did nothing about it so we are in a total, devastating and deadly war as we have never had before—a life and death struggle—and in my opinion, the end of this war will not be soon. I would be very happy if the spring or summer would bring the end of this war but I cannot see how this could be possible.

"We gave the world educators and then made barbarians of

PALM SPRINGS, CALIF.
Friday, November 10, 1944

The Desert Sun—13

them—we wanted this war. "Our blue prints for tomorrow must take into consideration our political structure. International law is a misnomer—law is only law when there is coercive force behind it—our courts must have compulsory jurisdiction. America has created only political power. Might is our only criterion of right and that is the kind of world we are living in. There must be created some kind of world state—international sovereignty. Our political organization must be organized to take care of the national debt—not by repudiation or some sort of inflation—but through economic readjustment."

LONG TIME AHEAD

In Dr. Henley's opinion, it will be all of three years before there will be production for civilian use to any extent after the war ends. It will be an economic era of rehabilitation for our returning men and women and those on the home front, and America will bear the brunt of demolition and scorched earth.

World trade will move to an all time high. There will be astounding experimental inventions and the day will come when you can live to your own biological needs in the homes of tomorrow.

In conclusion, Dr. Henley warned, "Safety comes not through lying in the harbor, but in weighing anchor and putting out to the open sea—our 'World of Tomorrow'."

Preceding Dr. Henley, Mrs. William A. Lippman, the club's president, called for reports from chairmen of standing committees, activities and the Welfare and Friendly Aid Association.

TELLS OF NEED

After the business session, Miss Lauretta Wilkinson, Red Cross representative at Torney Hospital, spoke briefly to the club members of the crying need for nurse's aides at the hospital. Miss Wilkinson stated that the staff of army nurses here has been so reduced and with the influx of patients from combat zones increasing daily, that the army says, "Please, we need your help", to any of those who are eligible and can give a portion of

Mrs. Walter Medill And Mother Here

Mrs. Walter Medill, accompanied by her mother, Mrs. Arthur Leitch, have taken an apartment on South Bellardo road for the season.

Mrs. Medill and her mother have been winter residents of Palm Springs for the past 20 years. They drove down from their ranch, located near Modesto.

Pasadena Couple Wed In Village

John Charles Pedder and Dee Morse Aiken, both of Pasadena, were united in marriage Monday morning at the Community church by Dr. John R. Macartney, pastor, in a quiet ceremony.

Mrs. Macartney and Miss Maud McQuillin were witnesses.

The newlyweds, after a honeymoon here, will make their home in Pasadena.

their time to make these returning soldiers feel that they have been, and still are, appreciated.

Mrs. Lippman and the members of her board were hostesses for the tea hour. Mrs. Lippman and Mrs. Donald Lockett presided at the tea table, centered with zinnias in a crystal bowl on a cloth of lace. They were assisted by Mrs. Guy Pinney, Mrs. John Sprague, Mrs. Harrison Leussler, Mrs. Armand Turonnet, Miss Teresa Fields, Mrs. John Forward, Mrs. Alvin Weingarten and Mrs. Frederick Watson.

NEXT MEETING NOV. 20

Mrs. Merrill Crockett was assisted in receiving by Mrs. Alvin Weingarten and Mrs. Donald Lockett.

The next club program, on November 20, will be given by the "Musical Daytons"—Daryl Dayton, pianist and his wife, Margaret, soprano, with Ralph R. Travis as accompanist, whose programs have won appreciable applause throughout the country.

The teachers in the Palm Springs schools are to be guests of the club for this program.

Students Prepare For Part In Sixth War Loan Campaign

By BARBARA BURTON

At the Council meeting held last Tuesday, Mr. Henry Greely announced the starting of the sixth War Bond drive to be held at Palm Springs high school during November and December.

Any bond sold now will receive credit for the coming campaign. The Bond drive should be a success if students put forth effort, as last year when over 2000 Bonds were sold.

Awards will again be given to the winning class group.

Members of the Council appointed to the Bond drive committee are: Sallie Lockett, Arthur Jones, Trudy Sawyer, Bob Bell, and Petronilla Mutascio.

School Annual to Be Omitted This Year, Indication

Unless the cost of an annual comes within sight, Palm Springs high will not publish a yearbook for this year. A deficit of \$300 was recorded on last year's annual; a normal deficit being at a maximum of \$150.

Mrs. Martin, annual adviser, proposes an advertising campaign to net \$200 or more. As it stands, there will be an increase in the cost of the book itself to \$2.50 with student-body cards, and \$3.00 without cards.

The main factor will be advertising, which according to Mrs. Martin, must be secured before any plans are made. Many annuals will be sent out this year and the advertisements will cover a wide field.

Bob Hann Elected President of New Press Club Group

Officers of the newly formed Press Club were elected last Thursday at a noon meeting. Bob Hann was voted president, and Margaret Walker, vice-president, and Sallie Lockett as secretary-treasurer.

A business discussion was held and plans for the selection of a club pin were made.

Members of the club include M. Algase, G. Boyd, B. Burton, B. Dodds, H. Gorchester, M. Gorchester, B. Hann, B. Inman, A. Jones, M. La Rane, L. L. Lilley, S. Lockett, C. J. Lyter, P. Mashburn, J. Minor, C. Nimitz, D. Omlin, E. Orth, and M. Walker.

Council Meeting Is Given Reports

Petronilla Mutascio, at the Council meeting last Tuesday, gave a report of funds received from the last football game which amounted to \$65.50.

Conduct in assembly last Thursday was discussed. Bob Lienau and other members of the council were pleased with the students cooperation.

The Bond drive, introduced by Mr. Greely, was discussed and a committee was appointed.

Palm Springs High School Smoke Signal

Banning Football Team Scores Early And Defends Lead

By GILLAR BOYD

Banning Broncos won their second game from Palm Springs by a score of 6 to 0. During the first five minutes of the game, Malcolm passed to Krause on Palm Springs' thirty-yard line, and Krause went over for Banning's only score. The line buck for the extra point was stopped cold.

Bob Black, Banning's "star," did not start but came into the game in the second quarter amid cheers of the Banning rooting section.

The rest of the game, up to the last few minutes, was a tough battle with both elevens trying hard to score. Then in the last minutes of the final quarter, Benson on his own twenty-five-yard line threw a thirty-yard pass to Rude who was finally brought down on about Banning's thirty-five yard line. Then in a series of line plunges the ball was put on the Bronco's five-yard line. With just a few seconds left to play, Benson tried to run around end but was caught behind the line of scrimmage just as the gun was fired, sounding the end of the game.

The Palm Springs and Banning B's fought out their own game to the score of Banning 6, Palm Springs 0.

The starting line-up for the two teams was as follows:

Palm Springs—(0)	Banning—(6)
Benson LE	Habager
Jurado LT	Arreola
Outcault LG	Lamons
Omlin C	Woods
Lienau LG	Cardona
Delano RT	Stanfield
Sorum RE	Hemmerling
Brummitt QB	Habeger
Smith FB	Ritter
Bell RH	Krause
Rude LH	Malcolm

This week the Palm Springs Indians will play the Coachella Arabs at Coachella in a night game at 8:00 P. M. Both the Arabs and the Indians have been the underdogs of the league so far, Palm Springs having won no games and Coachella having won only one.

Editorial

THE SIXTH WAR LOAN DRIVE IS ON!

Students of P.S.H.S. have again been asked to help by soliciting residents for bond subscriptions. Last year, during the fourth Bond drive, we sold \$200,000 worth of bonds, more than doubling the quota set for us. It was the first time the student body had ever been asked to do anything of the kind, and we surprised even ourselves with our overwhelming success. Even the few pessimists had to admit it was a lot of fun, and the sense of really accomplishing something helpful to the war effort was well worth the time and energy spent.

Plans are well underway for an all-out drive on the residents of Palm Springs. Everyone is asked to volunteer to solicit a small area; it is our job to get at the individual investor.

The responsibility rests with each one of us individually to turn out 100 percent strong and show what P.S.H.S. can do, so when volunteers are called for, offer to help. You'll be surprised how much fun it can be.

—SALLIE LOCKETT

May We Introduce

BY BARBARA AND WAYNE

BOY OF THE WEEK

Our Sophomore selectee entered P.S.H.S. at the beginning of the term. He confides that the current heart beat is Katie Hartman of Beverly Hills, whom he met while attending Beverly high. As far as the local girls are concerned, he thinks they're swell, but he feels that he doesn't know any of them well enough to choose a girl friend. He already seems to have the boy friends lined up, namely Ed. Wills and Jay Holderman.

World History and P. E. rate highest in the line of school curriculum, but geometry just can not be included as anything he could ever like. He finds it hard to make a choice in foods, but lemon pie seems to head the list. Fred Waring is his choice in band leaders. Blue is his favorite color. Basketball is his favorite sport and he intends to turn out for the team this year. He plans to attend U.C.L.A. It is his dream to see that University win over a certain other California college, in a game of basketball. He finds nothing more distasteful than going to a school function where there are people completely without school spirit.

He at present resides in Cathedral City with his aunt and his brother. He shares his birthday, June 2, 1929, with his twin sister, Pat, who remained in Beverly Hills with their parents.

In case this aggregation of facts does not disclose the identity of this new student, the name is submitted herewith, (his full name unknown) Dick Hine.

GIRL OF THE WEEK

About thirteen years ago, there was born in the city of San Diego, a girl who was destined finally to be introduced in our famed column.

This dimpled darling, 5 feet 2 inches in height, has brown hair and hazel eyes. She likes just about all actors named Richard Jaekel and when questioned about her favorite hobbies, she brightened up and exclaimed, "Eating and smoking my opium pipe." However, don't be confused for she immediately confirmed the fact that she does not eat the pipe.

That old favorite Harry James gets her, too, along with Will Bradley playing "Down the Road Apiece."

Myrna Frank and people in general are seen quite frequently with her.

Steak covered with lots of mushroom sauce seems to be her ideal dish, which sounds pretty good!

Dismissing the question of love-life altogether, she was absolutely non-committal on the subject so we'll leave the guess work up to you.

People that are always borrowing things she can't understand and usually makes her quite peeved.

Regarding colors, she replied that sky-blue was the one she liked best.

And now, if everybody is ready and waiting, we present—Paula Kay "Porky" Hayward.

Interesting Film Shown At Assembly

"Winning the Battle of Synthetic Rubber," a Castle sound film, was shown yesterday in the assembly period. This is among the first of a series of educational as well as entertaining films scheduled to be presented to the students this year.

Spanish moss is a relative of the pineapple.

Mother's Tea to Be Presented At School On Nov. 21

Mothers of students attending P.S.H.S. will be honored at a Fall Tea, to be given in the auditorium at 2:30 P. M., on Tuesday, November 21. Because of a conflict in schedule with the Blythe football game, the date, previously announced as November 17, had to be cancelled.

The tentative program for the afternoon includes a skit by Bonnie Sue Taylor and Betty Ann Lilley; monologues, "The Waltz," by Dorothy Parker, and "Boy Crazy," by Florence Ryerson and Colin Clements, given by Barbara Smith and Ardis Green; and a duet with Hazel Veith at the piano, and Dorothy Winterton on the accordion. Marilyn Crockett will sing "With a Song in My Heart" and "Luxemburg Gardens."

"March of Time" Film First Movie Assembly of Year

Presenting the first motion picture assembly of the year last Thursday, "The March of Time," was featured, showing the geography and commerce of Canada. It was a special school edition, one of a series to be presented throughout the year. Bob Hillery was in charge of the projection crew.

Coach Thompson and the cheer leaders participated in the remaining portion of the program.

Rehearsals Under Way for Assembly At Christmas Time

Rehearsals are underway this week for the Christmas assembly which will be performed just previous to the Christmas vacation.

This assembly will be given by the Glee Club under the supervision of Mr. Hammond and the Oral Arts class under Miss Gaylord's direction.

Singing by the Glee Club will be comprised of the many widely known English and a few Russian carols.

A series of tableaux will constitute the dramatic part of the assembly.

The only branched palm tree is the doom palm of central Africa, which often bears more than 200 nutritious nuts as large as oranges.

Volley Ball Sked For Noon Period Announced Today

Noon activities got under way with a series of volleyball games beginning on Tuesday, November 7. The teams will be composed of four girls and five boys. All teams must be ready by 12:10 or a forfeit will be called. At the end of the entire series, an award to the team having the most victories will be given.

The following series will last through five weeks with games being played on Tuesdays and Thursdays.

Tuesday, November 7—Freshmen vs. Sophomores.

Thursday, November 9—Juniors vs. Seniors.

Tuesday, November 14—Faculty vs. Juniors.

Tuesday, November 21—Seniors vs. Freshmen.

Thursday, November 23—Faculty vs. Sophomores.

Tuesday, November 28—Faculty vs. Juniors.

Thursday, November 30—Sophomores vs. Seniors.

Thursday, December 5—Freshmen vs. Juniors.

Thursday, December 7—Seniors vs. Faculty.

First Dramatics Class Offering to Be Shown Dec. 1

Offering the first dramatics class play this year, "He Ain't Done Right By Nell," by Wilbur Brown, will be presented December 1, in the assembly.

Several Olio acts are being prepared by Mr. Hammond as a surprise.

The Oral Arts class is preparing a stage set. The Wood Shop group, under the supervision of Mr. Thompson, is building the wood frames. After the muslin has been stretched over the frames, it will be painted.

The play cast includes Trudy Sawler, John Wilson, Bob Lienau, Barbara Emigh, Elaine Krosnor, Maurice Smith, and Cecil Morris.

Ardis Green is head stage manager; Barbara Smith, costume and hand props.

ANNOUNCEMENT...

I wish to take this means of announcing the change in ownership and management of the "Manuel the Tailor" Dry Cleaning establishments, both at Palm Springs and Banning, effective this week.

I have acquired this property after careful investigation and because I believe in Palm Springs' future prospects. Many years of experience in the work I am entering here has given me the background to carry on the business in the same satisfactory manner as my predecessor, and I hope to be permitted to serve you often.

Improvements are planned, including enlargement of our modern plant, and every effort will be made at all times to provide the very best possible in dry cleaning and dyeing service.

C. F. JONES

For BETTER Service

Your clothes will be thoroughly cleaned, expertly handled and finished in minimum time—looking NEW! We urge you to send your cleaning early in the week to avoid a week-end rush.

WORK OF MERCY—Miss Lemonne Sennett, civilian secretary at Torney General Hospital, spends her off duty hour as a Nurse's Aide. Above she adjusts pillow for 2nd Lt. Frank G. Ludwig, Los Angeles, who was shot down over Paris and treated for almost four months in a German hospital before the liberation of the French capital.

Second Red Cross Aide's Training Class Launched At Torney Hospital With Miss Anne Vogel Instructor

Torney General Hospital's Red Cross Nurse's Aide training course was launched on schedule yesterday morning when Miss Anna Vogel, former superintendent of the Riverside Community Hospital opened the first study session with 16 local women in attendance.

Thirty-five hours classroom work will be conducted from 9 a. m. until 12 noon five days a week and at the conclusion of this part of the course trainees will proceed to hospital wards where, still under the personal direction of Miss Vogel, they will take advanced training from 9 a. m. until 2 p. m. five days a week until 45 hours ward training have been completed.

Students who complete their training satisfactorily will be formally graduated and receive their caps and pin. As graduates they will continue to assist Army nurses in the care of men back

from combat and will be qualified for duty in any Army or civilian hospital.

Local women who have enrolled for the course include mothers and business women of the Village. They are: Mmes. Dorothy Thompson Brown, Mimi Chandler Cabell, Priscilla Taft Chaffey, Virginia Valli Farrell, Barbara Jane Hinkle, Naomi Fern Jones, Louise Kuyper, Helen Caroline Kuster, Ruby Elizabeth Mann, Marjorie S. Merwin, Thelma Rogers O'Hanlan, Gertrude Wells Overly, Ruth Carson Riley, Mary Macklin Stephens, Adele Breaux

George Strebe, Sr. Injured in Mishap At Bunker Ranch

George (Pop) Strebe, Sr., will be off of his feet for a little while as result of an odd accident at the Bunker ranch in the San Jacinto mountains Sunday. While loading horses at the ranch for shipment to the Village, one of the animals reared, throwing Mr. Strebe heavily against the only rock within 50 feet.

He suffered a slight fracture of the hip bone but will be able to walk again soon. He was attended by Dr. Blackman of the Coachella Valley hospital at Indio.

Travis of Desert Hot Springs and Marion Matthews.

While here to conduct the course Miss Vogel is the guest of Mrs. Frank Bennett at Deep Well Ranch where she is renewing contact with her many friends of the Village.

Kenneth Colborn Here to Look Over Proposed Building

Kenneth Colborn, president of the Palm Springs company, was in the Village this week looking over plans for the post office to vacate their present headquarters.

Following the post office move the Palm Springs company plans the development of the property extensively.

Mr. Colborn will have the plans for the new structure with him when he returns next week.

While in the Village he was the guest of Walter Z. Allen, local manager for the company, at the Rotary club luncheon Wednesday.

The Real Facts About The Field Club

WHY NOT BE FAIR AND GIVE THE PUBLIC ALL OF THE FACTS IN ORDER TO ENABLE THEM TO CAST AN INTELLIGENT VOTE.

On November 14th

Field Club — OR — Downtown Project

PURCHASE PRICE: \$37,167.00.

Payable \$14,166.67 down plus 4% interest on balance.

COST OF OPERATION: Estimated at \$7,669.50.

LOCATION: Away from populated areas. Not within walking distance, shortage of gas makes it inaccessible to most people.

Indian Ave. and Ramon Road

RENT: \$37.50 per month.

Plus \$1.50 for all the water necessary to beautify grounds.

COST OF OPERATION: \$3,750.00.

LOCATION: Near populated areas. Within walking distance. Alcoholic liquors prohibited by Federal law.

WARNING!!

The City of Palm Springs is not financially able to make even the first payment on the Field Club. According to the city budget for 1944-45 the City has an estimated approximate surplus (including business licenses) of \$13,670.53. How can it make the first payment of \$14,166.67 without robbing some other fund? Here is probably what would happen—a transfer of moneys would be made from other funds in order to make the payments on the Field Club and then some means of taxation would have to be devised in order to replenish said other funds. Money doesn't grow on trees, you know—it must and can only come from the pockets of the taxpayer.

VISIT THE FIELD CLUB AND SEE THE DELAPIDATED CONDITION OF THE SO-CALLED IMPROVEMENTS AND THEN YOU WILL

VOTE "NO"
